

## Community Relations

### District and School Web Sites

To enhance communication with students, parents/guardians, staff, community members and the public at large, the Governing Board encourages the Superintendent or designee to develop and maintain District and school web sites. The use of District and school web sites shall support the District's vision and goals and shall be coordinated with other District communications strategies.

- (cf. 0000 – Vision)
- (cf. 0440 – District Technology Plan)
- (cf. 1100 – Communication with the Public)
- (cf. 1112 – Media Relations)
- (cf. 1114 – District-Sponsored Social Media)
- (cf. 6020 – Parent Involvement)

### Design Standards

The Superintendent or designee may establish standards for the design of District and school web sites in order to maintain a consistent identity, professional appearance and ease of use.

The District's design standards shall address the accessibility of District-sponsored web sites to individuals with disabilities, including compatibility with commonly used assistive technologies.

- (cf. 0410 – Nondiscrimination in District Programs and Activities)

### Guidelines for Content

The Superintendent or designee shall develop content guidelines for District and school web sites and shall assign staff to review and approve content prior to posting.

Board policy pertaining to advertising in District and school publications, as specified in BP 1325 – Advertising and Promotion, shall also apply to advertising on District and school web sites.

- (cf. 1325 – Advertising and Promotion)

### Privacy Rights

The Superintendent or designee shall ensure that the privacy rights of students, parent/guardians, staff, Board members and other individuals are protected on District and school web sites.

- (cf. 1340 – Access to District Records)
- (cf. 4119.23/4219.23/4319.23 – Unauthorized Release of Confidential/Privileged Information)
- (cf. 5022 – Student and Family Privacy Rights)
- (cf. 5125 – Student Records)

Community Relations (Cont.)District and School Web Sites

Telephone numbers, home addresses or email addresses of students and/or their parents/guardians shall not be published on District or school web sites.

(cf. 5125.1 – Release of Directory Information)

Because of the wide accessibility of the Internet and potential risk to students, photographs of individual students shall not be published with their names or other personally identifiable information without the prior written consent of the student's parent/guardian.

Photographs of groups of students, such as at a school event, may be published provided that student's names are not included.

Staff members' home addresses or telephone numbers shall not be posted on District or school web sites.

The home address or telephone number of an elected or appointed official including, but not limited to, a Board member or public safety official, shall not be posted on District or school web sites without the prior written permission of that individual. (Government Codes 3307.5, 6254.21, 6254.24)

No public safety officer shall be required to consent to the posting on the Internet of his/her photograph or identity as a public safety officer for any purpose if that officer reasonably believes that the disclosure may result in a threat, harassment, intimidation or harm to the officer or his/her family. (Government Code 3307.5)

(cf. 3515.3 – District Police/Security Department)

### District And School Web Sites

#### Guidelines for Content

District and school web sites shall provide current information regarding District/school programs, activities, and operations. Such information shall be appropriate for both internal and external audiences and may include District mission and goals, District or school news, agendas and minutes of Governing Board meetings, School Accountability Report Cards, school calendars, and links to educational resources.

(cf. 0440 - District Technology Plan)

(cf. 0510 - School Accountability Report Card)

(cf. 1100 - Communication with the Public)

(cf. 1112 - Media Relations)

(cf. 6020 - Parent Involvement)

With approval of the principal, individual teachers may create web pages linked to the District or school web site to provide information pertaining to class assignments, expectations, and activities.

Student work may be published on District or school web sites provided that both the student and his/her parent/guardian provide written permission or the work is part of an existing publication such as a school newspaper.

The Superintendent or designee shall ensure that copyright laws are not violated in the use of materials on District and school web sites. If any copyrighted material is posted, a notice shall be included crediting the original producer of the material and noting how and when permission to reprint the material was granted.

(cf. 4132/4232/4332 - Publication or Creation of Materials)

(cf. 6162.6 - Use of Copyrighted Materials)

Whenever a District or school web site includes links to external web sites, it shall include a disclaimer that the District is not responsible for the content of external web sites.

#### Roles and Responsibilities

Any employee assigned as a District or school webmaster shall be responsible for the uploading of material to the web site(s) upon approval of the Superintendent or designee. He/she shall ensure consistency of the material with District standards, regularly check links for accuracy and appropriateness, keep the web server free of outdated or unused files, and provide technical assistance as needed.
