

One Call Now

We have a calling plan in which you are notified of important announcements such as school closings, etc. Announcements will be made between **5:30 a.m. – 9:30 p.m.** When the school makes the announcement, you will receive a phone call on the numbers that you specify. When you pick up the phone, you will hear a short melody and then the message will play. If the program does not get an answer or gets a busy signal, it will continue to try to contact you throughout the day. The caller id that will display on your phone is the toll-free One Call Now number 877-698-3262, instead of the Shekinah office number. We will still announce school closings and delays on WBNS 10tv.

Each family may have up to six phone numbers and five e-mails set up to receive announcements. E-mail announcements will be used to remind you of upcoming events, not for urgent announcements.

In addition, you can specify if you would like to be notified of sporting events, such as game cancellations, practice cancellations, etc. Please check the boxes of teams that you would like to receive announcements regarding.

You also have the option to receive the one call now messages via text message. You would receive a text message in addition to the voice message. The text message will be sent immediately – you will probably receive that before the voice message. If you indicate below that you would like to opt in to the text message delivery option, you will be receiving a voice mail message on how to set that up. You will need to text the word “alert” to 22300.

Please fill out this form with the phone numbers and e-mail addresses that you want used for your family and then sign below.
