

Ski Club Information

Thank you for your interest in the Academy of Our Lady Ski Club! We have three ski trips planned for this winter:

Sunday, January 21st at Jack Frost Ski Resort in Blakeslee, PA (just shy of a 2 hour drive)

Saturday, February 10th at Belleayre Mountain in Highmount, NY (about an hour and a half drive)

Saturday, March 3rd at Jack Frost (or Elk Mountain if we're feeling adventurous - Elk is a great family mountain in PA north of Scranton about 2:15 hours away)

Parents will be responsible for driving their child(ren) to the mountain. All are welcome! Jack Frost also offers tubing for those family members not interested in skiing.

The plan is to meet at each of the mountains at 8:00am sharp. We will not be able to purchase tickets until our whole group is there, so please be on time! You will be able to rent, if needed. Ski packages including lift ticket, rental and lessons are also available for Jack Frost (I'm still waiting to hear back from Belleayre).

Each family is responsible for their own food. There is a cafeteria to purchase food at the mountains or you can bring your own lunch and leave it in the lodge.

Jack Frost Ticket Prices: Adult \$45 Child \$36 Ski Package (lift, lesson and rental): 8 and older \$68 -- If staying on the beginner slope only, the packet cost is \$63

Belleayre Ticket Prices: 20+ years \$43 19 and under \$33 Rental: Adult (13-64) \$39 Junior (1-12) \$30

Since our first ski trip is coming up soon, **please RSVP to me by next Thursday, January 18th** with the following info:

- Number and names of people attending
- Name of individuals renting and equipment needed (snowboard, skies, helmet)
- Cell number
