

INSPECTION AND MAINTENANCE AGREEMENT  
PERTAINING TO PRIVATE STORMWATER CONTROL MEASURES  
SERVING SUBDIVIDED PROPERTIES  
WITH NO COMMONLY OWNED FACILITY

This Agreement made as of the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_,  
by and between \_\_\_\_\_ (hereinafter  
the "Original Owner") with the intent to create, in addition to personal obligation, a  
covenant with the certain real property as hereafter described and thus bind  
subsequent owners of said real property as subdivided (hereafter individually and  
collectively -- including the Original Owner -- the "Owner"), and THE TOWN OF  
GREENEVILLE, TENNESSEE (hereinafter the "Town").

W I T N E S S E T H:

WHEREAS, the Original Owner is the owner in fee simple of the certain real  
property and has sought and received approval to subdivide said property;

WHEREAS, said real property is located at \_\_\_\_\_  
\_\_\_\_\_ and is more particularly described on Exhibit A  
hereto (hereinafter the "Property");

WHEREAS, the Original Owner has sought and received approval to  
construct certain stormwater control measures (hereinafter collectively the  
"Facilities") to control stormwater runoff from the Property, which stormwater control

measures include components located on individual lots (hereinafter “lot specific component”);

WHEREAS, a copy of the approved plans and specifications for the Facility are on file in the offices of the Greeneville Regional Planning Commission (hereinafter the “Approved Plans”);

WHEREAS, the Town deems it to be in the public interest to enter into this Agreement with the Original Owner to insure that the Facility is constructed, operated and maintained, as designed, to control runoff of stormwater from the Property until such time as new or different stormwater control measures for the Property are approved by the Town, and the same are constructed and placed into operation and subject to a written agreement supplementing or replacing this Agreement.

NOW, THEREFORE, in consideration of the Town’s approval of the Facility, the Original Owner agrees as follows:

1. Construction, Maintenance, Repair and Operation of the Facility:

The Original Owner agrees to construct the Facility in accordance with the specifications set forth in the Approved Plans. The Original Owner further agrees to maintain and operate the Facility in keeping with the Approved Plans and in accordance with all applicable manufacturer/installer’s instructions, usual and

common practices for similar facilities and all applicable rules, regulations and laws until such time the Facilities are replaced with new or different stormwater control measures for the Property which have been specifically approved by the Town in writing directed to the Original Owner and made subject to a written agreement supplementing or replacing this Agreement or until the Original Owner is released of such obligation pursuant to paragraph 7 hereof.

(b) With respect to a lot specific component, the Owner of any lot containing (or to contain) any such component of the Facility shall maintain, repair, and operate such lot specific component in keeping with the Approved Plans and in accordance with all applicable manufacturer/installer's instructions, usual and common practices for similar facilities and all applicable rules, regulations and laws until such time said component is replaced with new or different stormwater control measures which have been specifically approved by the Town in writing directed to the Owner of such lot and made subject to a written agreement supplementing or replacing this Agreement or until such Owner is released of such obligation pursuant to paragraph 7 hereof.

2. Alterations and Modifications of the Facility. No alteration or modification of the Facility or any lot specific component shall be made by or on behalf of the Owner without the prior express written approval of the Town.

3. Notice. The Original Owner shall give the Town prompt notice (if given orally, the Original Owner shall memorialize the same in writing to the Town as soon as practical) of any failure of the Facility to operate as intended, whether caused by faulty design, improper construction, act of nature, accident, intentional act, neglect or the Owner's failure or inability to maintain, repair or operate the Facility.

4. Access and Easement. The Original Owner agrees to maintain appropriate access to the Facility for the use and benefit of the Town as is reasonably necessary to fulfill the Original Owner's obligations hereunder and to reasonably afford the Town the ability to exercise any of the rights granted the Town under this Agreement.

The Original Owner hereby grants the Town a perpetual easement on and across the Property reasonably necessary in location and size, and as shown on the Approved Plans, for the purposes of inspection, enforcement of the Owner's obligations under this Agreement, and exercise of any right granted the Town under this Agreement, including the right to maintain, repair, alter, modify and operate the Facility if necessary to control stormwater runoff from the Property.

5. Indemnification and Hold Harmless. The Original Owner agrees to indemnify and hold harmless the Town from any and all liability, including the cost

of defense and attorney's fees, resulting from any claim attributable to or arising out of the construction, operation, repair and maintenance of the Facility. In like manner each Owner shall indemnify and hold harmless the Town from any and all liability, including the cost of defense and attorney's fees, resulting from any claim attributable to or arising out of the construction, operation, repair and maintenance of a lot specific component located on such Owner's lot. The Owner shall indemnify the Town upon demand for expenditures made by the Town in performing any obligation of the Owner under this Agreement. The Owner shall indemnify the Town for all its costs incurred in enforcing this Agreement against said Owner or Owner's interest in the Property, including reasonable attorney's fees.

6. Recordation. The Original Owner agrees that the Town shall record this Agreement and all related exhibits with the Register of Deeds Office for Greene County, Tennessee, at the Original Owner's expense.

7. Obligations to Run With the Land. The Owner's obligations hereunder shall run with the Property, including the indemnification provisions of paragraph 5, and each such obligation shall be an ongoing covenant with the land. Upon transfer of the Owner's complete ownership interest in the Property, the personal obligation of such Owner shall cease, excepting only unfulfilled obligations existing at such date which obligations while remaining an obligation of the Property the

Town may nonetheless require such Owner to remedy. In like manner an Owner's personal obligation arising out of the ownership of a particular lot shall cease upon said Owner's transfer of such ownership, excepting only unfulfilled obligations existing at such date which obligations the Town may nonetheless require the Owner to remedy (and to indemnify the Town as required under paragraph 5) -- notwithstanding the fact that the same remain an obligation of the Property.

IN WITNESS WHEREOF, the parties have executed (caused the execution) of this Agreement as of the day and date first above written.
