Barcode Method:

To enroll using the Barcode Method, just take this form with you on your next Ralphs shopping trip and have the cashier scan the barcode below, along with your Ralphs Rewards Card or phone number. You'll be linked on the spot. No need to go on-line to register. **Be sure to scan on September 1st, 2015.** You can still scan and/or register after this date, but the longer you wait, the less \$\$ for Carver.

How it works

- These instructions are necessary for the cashier to process the link between your card and our school at the register.
- Carver family and friends must take this form the next time they go shopping at Ralphs and hand it to the cashier to scan with their order IN ADDITION to either their Ralphs Rewards Card, or phone number entry, that is linked to their Rewards card.
- Within 72 hours, **at no extra charge** you will begin giving a percentage of each shopping trip for the duration of the Ralphs Community Contributions term to Carver. Term ends August 31, 2015.
- You only have to scan the barcode **once** to create the link between your card and Carver. The words "LOYALTY DIV" should appear on your receipt during the **initial** link only.

Important Information

- 1) Even if you registered last year or as recently as July or August 2015, you are still required to register again, on or after September 1, 2015.
- 2) If you register for the Ralphs Community Contributions Program using this Barcode Method, Carver's name WILL NOT APPEAR on your receipts, but don't worry, our school will still get credit.
