

SPORTS PE

Prerequisites: Academic Eligibility (2.0 GPA and not more than one F); medical clearance to participate; insurance; adherence to Linden High School athletic policies and code of conduct.

Students may earn 5 units of physical education credit after satisfactory completion of a sport season. The Athletic Director is the Teacher-in-Charge and each coach is responsible for reporting that an athlete has completed a season satisfactorily and earned the credit.

Satisfactory completion will include but not necessarily be limited to: prompt and regular attendance at all practices, games or matches; adherence to all rules and regulations for practice and games or matches; respectful behavior and sportsmanship at all times toward coaches, officials, team members, as well as opposing team members, coaches and fans.

Removal from the team for disciplinary reasons or due to ineligibility per athletic operating policies will result in loss of all credit for the sport.

Sports PE may not be used to meet the ninth grade PE requirement.

Maximum credit to be earned through Sports PE shall be 10 credits per year and 30 credits total.

Sports PE credit may be earned through the following sports/activities:

FALL – Football, Volleyball, Boys Soccer, Cross Country, Girls golf, Cheerleading

WINTER – Boys Basketball, Girls Basketball, Wrestling, Cheerleading

SPRING – Girls Soccer, Baseball, Softball, Track and Field, Boys Golf, Tennis, Swimming
