
 J.O. Combs Unified School District Learning Today, Leading Tomorrow	<b>Combs Unified School District, #44</b> Amendment #4		301 E. Combs Road San Tan Valley, AZ 85140
	IFB: 18-02-18 PROJECT: Roof Restoration and Weatherization at Jack Harmon Elementary	Page 1 of 3	

April 11, 2018

This Amendment is released to all interested parties:

1. GAF has issued a change on the coverage required to receive their warranty.
2. Because of the lateness of this Amendment #4, an extension of time is necessary. This request was granted by the District. The due date has been changed and moved to April 18, 2018 at 11:00 AM (Mountain Standard Time)
3. Remember to sign your offer sheet and acknowledge this amendment.
4. All other terms and conditions remain the same.
5. End of Amendment #4.

Subject: System Certification

Project:  
 Jack W. Harmon Elementary School  
 39315 N Cortona Dr  
 San Tan Valley, AZ 85140

To Whom It May Concern:

This is to confirm that the specification listed below is eligible to obtain a Limited Warranty on GAF® Liquid-Applied Wall and Architectural Coatings for 10 years, provided all current GAF® application requirements are followed and guarantee procedures are met.

**Previously Coated CMU and/or Stucco Vertical Surfaces Application:**

**Step 1)** Power wash the exterior to ensure it is free of dirt, debris, oil and other contaminants that could negatively affect adhesion. Any loose coating must also be removed\*. Allow to completely dry.

**Step 2)** Apply one coat of Aquathon® at the rate of 1.0 gallons per 100 ft<sup>2</sup> to the entire exterior surface.

**Step 3)** Apply one coat of Aquathon® at the rate of 1.0 gallons per 100 ft<sup>2</sup> to the entire exterior surface.

**Step 4)** Total dry mil thickness should be at a minimum of 18 mils.

\*GAF® does not guarantee nor warrant the existing coating’s adhesion to the substrate.

Notwithstanding anything to the contrary on the reverse, this Limited Warranty will cover, at no cost to the owner, labor to repair that portion of the products that leaks as a result of a manufacturing defect or deterioration caused by ordinary wear and tear by the elements.

If you have any further questions, please contact us at 1-800-766-3411. Thank you for choosing GAF®.

Sincerely,

*Natalie McCasling*
