California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

At Fern Drive School, we have been celebrating students' successes and accomplishments through a variety of student recognition programs. We utilize a weekly student recognition called the Principal's Pipping Awards. Our school mascot, the falcon, hatches after spending a few days "pipping" its shell with the sharp egg tooth on its beak. The purpose of instating this award was to honor students who are breaking out of their shells and are showing progress towards meeting personal goals and challenges. One student from each class is presented with the Principal's Pipping Award every week at our spirit assembly.

To fully develop the whole child, Fern Drive School also focuses on the importance of personal character traits. Each month we focus on a unique character trait and how students can embody it at school and at home. Character traits include respect, responsibility, courage, creativity and imagination and perseverance. At the end of each month, one student is chosen from each classroom that has shown outstanding embodiment of that trait, and is honored at our spirit assembly.

Finally, students are honored at trimester awards assemblies. Honors are given to students in the following categories: Accelerated Reader, Most Improved Academically, 100% Homework, Citizenship and the Honorary Falcon Award.

School Description and Mission Statement (School Year 2017-18)

Fern Drive Elementary is a 2016 Gold Ribbon School, 2016 Common Sense Media Certified Digital Citizenship school, California Distinguished School and Golden Bell winning campus. We believe in fostering critical thinking, problem solving and creativity through **Science, Technology, Engineering, Arts and Mathematics**, or STEAM. Students immerse themselves in year-round hands on science labs, and express their learning through collaborative projects rooted in STEAM principles. Fern Drive's students receive innovative instruction in music, dance, theatre and art through our All the Arts program, and further their hands on experiences through the All the Arts [Creativity Center](#) located on our campus. Our expanding iPad program is seamlessly integrated throughout the curriculum providing students the opportunity to pioneer their own learning through thoughtfully designed, engaging lessons both at school and at home. Our teachers are highly trained in all aspects of Curriculum and Instruction and use research-based teaching strategies to ensure all students are learning successfully.

Eleanor Roosevelt said, "The future belongs to those who believe in the beauty of their dreams." Fern Drive is proud of the strong partnerships forged with families and community, working together to build a bright future for our students!

School Facility Conditions and Planned Improvements

The District takes great efforts to ensure that all schools are clean, safe, and functional. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Acacia Elementary School has 21 classrooms, a library media center, a computer lab and a multi-purpose room. The main campus was built in 1957. Additions were constructed in 1960 and 1965. Two portable classrooms were added in 1988 and two more were added in 1997 and another in 2013. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District has established cleaning standards for all schools in the district. A summary of these standards is available at the district maintenance office. The Maintenance and Operations staff works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and exterior painting, and floor systems. During 2016-17 the District spent \$435,136 on Deferred Maintenance. For the 2017-18 school year the District budgeted \$320,013 for Deferred Maintenance expenditures.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Mathematics (grades 3-8 and 11)	46%	38%	50%	49%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Students Receiving Migrant Education Services				
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Parents are involved in an advisory capacity through participation in PTA, The Fern Drive Foundation for Education and Techknowledgey, ELAC, and School Site Council. Groups meet monthly, and meetings are open to all. Weekly folders go home every Wednesday informing parents of student progress and events, and the principal gives weekly updates on school activities using ConnectEd. Parents have opportunity to provide input on school plans and policies.

School Safety Plan (School Year 2017-18)

A comprehensive school safety plan was developed and approved prior to March 1, 2000 in compliance with Education Code Sections 33126, 35256, and 32286 as well as applicable District policies and regulations. Each year, prior to March 1, the school's safety plan is reviewed, updated and discussed with staff and School Site Council. Annually, the school's staff reports on the status of its safety plan with the school leadership team, PTA and School Site Council. Status reports and updates are reviewed at the beginning of each school year and again in December before the finished School Safety Plan is approved by the members of the School Site Council on March 1. The key elements of the plan include: a) providing a safe teaching and learning environment for all students and staff members, b) ensuring that all students are safe and secure while at school sponsored activities, c) making district programs and community resources available to students and parents, and d) creating a school where students, programs, and community members interact in an atmosphere of mutual respect that enhances the environment for learning. Each year the school submits along with the safety plan a detailed "action plan" which addresses the identified areas the staff and School Site Council has brought forward as critical areas of concern or how they should improve. A copy of the plan is available at all times in the school office and will provide a more detailed description of each element of the plan including specific actions, resources and time lines to be implemented by the school. Copies are also available at the District Office in the office of Child Welfare and Attendance.

Safety plan shared with staff on 9/18/17.
