

# John Marshall High School

## Parent Update

### Parent/Teacher Conferences

**Thursday, October 19, 2017 - 5:00 to 7:00 p.m.**

- **In order to facilitate privacy in the conferences, please line up in the hallway outside the teacher's classroom. If there are other parents waiting, please also limit your conference to 5 minutes. If you need more time, please schedule a follow up meeting with the teacher during his/her conference period.**
- Classroom numbers are on posters throughout the main building, first floor. Teachers of PE will be in the PE Offices. The College/Career Office will be open for drop-in assistance.
- Parents/Guardians may bring their teenagers to the conferences.
- The Parent Center will be open from 4:15 to 7:00 p.m. to assist parents to register for:
  - LAUSD PASSport (view your child's attendance, grades and other information on-line)
  - LAUSD Navience (on-line college/career information and application website)
  - Blackboardconnect (parents may receive phone calls, e-mails and text messages from Marshall)
  - Free/reduced lunch application (in addition to breakfast and lunch, students/families can save hundreds of dollars on college related fees. Marshall High School also receives funding from the federal government based on the number of students who have applied and qualified for the program)

*Please note: parents/guardians may seek assistance registering for any of the above-mentioned programs in the Parent Center during the school day.*
