

Welcome, New Families!

The New Family Support committee is a group of parent volunteers who would like to help make your transition to Foothill High School as easy as possible. We want your family to be a part of our Foothill community. We hope you will be comfortable asking questions and getting to know other parents and their students. This committee has a wide variety of nationalities and languages to help you.

Please fill out the questionnaire and return it to the Foothill office. Someone from the New Family Support Committee will be in touch with you.
