January 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for the Swartz Creek High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Jamie Johnston, Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site

**<https://goo.gl/e7WZD5>** or you may review a copy in the main office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Our school HAS NOT BEEN GIVEN ONE OF THESE LABELS.

We are pleased to announce that many initiatives are being undertaken at the school to accelerate student achievement and close gaps in achievement. This includes more intervention classes, additional PBIS initiatives to help students, data reviews to find areas to improve in student achievement, and perception surveys from staff, students and families. All these efforts align with Swartz Creek Community Schools mission which is to inspire our learners to embrace challenges, set goals, grow their talents, and realize their dreams for success in a global society.

State law requires that we also report additional information:

1. Student building assignment is based on residency or by participating in the School of Choice process for this year and previous years.
2. Our SIP (School Improvement Plan) has annual reviews each year and revisions by each school and also by the district, which are implemented as soon as possible.
3. Swartz Creek Community Schools does not have any specialized schools.
4. The Swartz Creek School District follows the Michigan Merit Curriculum using High School and Grade Level Content Expectations to guide classroom instruction. Michigan recently adopted the National Common Core State Standards which Swartz Creek Schools is in the process of adopting as well. Core Standards can be found at:

**Jeff Hall, Superintendent   Rod Hetherton, Asst. Superintendent Curriculum/Instruction**

**Jon Pechette, Director of Finance   Colleen Mansour, Director of Human Resources**

*Our Mission: Swartz Creek Community Schools inspires our learners to embrace challenges, set goals, grow their talents, and realize their dreams for success in a global society.*
