

On March 26, 2018 Elementary School District 159 will participate in the Illinois Science Assessment (ISA). The test is for students in grades 5th and 8th. The purpose of the assessment is to assess students on their level of mastery with the Illinois Learning Standards for Science and the Next Generation Science Standards (NGSS). This one day assessment will be taken on a digital platform (online).

For more information about this assessment, contact your child's school.
