

September 10, 2012

TO PARENTS OF STUDENTS ATTENDING Tulia ISD:

Under the No Child Left Behind (NCLB) Act of 2001, a Title I, Part A-funded local education agency (LEA), or school district, that has not met AYP for two or more consecutive years in the same indicator (reading, mathematics, attendance rate, or graduation rate) is subject to LEA-level Title I School Improvement Requirements. Based on the 2012 LEA AYP Status released August 8, 2012, Tulia ISD is subject to the LEA-level School Improvement Program (SIP) requirements for Stage II during the 2012-2013 school year.

The NCLB statute requires the district to notify you of this status and to provide you with the following information. Please be advised that the district has the opportunity to appeal this district improvement designation. However, the requirements described in this letter must be implemented for the entire school year, regardless of the outcome of the appeal.

If an LEA that is receiving Title I, Part A funds does not meet AYP for two consecutive years for the same indicator that LEA is subject to certain SIP requirements. For additional information about the AYP definition please visit TEA's website at <http://www.tea.state.tx.us/aypl/>.

Within three months after being identified for improvement, an LEA must develop or revise its district improvement plan in consultation with parents, school staff, and others. The district improvement plan must meet certain requirements, one of which is implementing strategies to promote effective parental involvement in the district. To view additional district improvement plan requirements, please visit this link: http://www.tea.state.tx.us/index4.aspx?id=2147484929&menu_id=798. If you do not have access to the internet, please call the contact person listed at the end of this letter and this information will be provided to you.

Since the district has been identified for improvement, activities based on scientific research will be implemented to strengthen the instruction. Intensive and sustained staff professional development will also be offered. We invite you to assist in SIP by participating in parent activities, volunteering to be a part of campus and district planning, and continuing to be active in all campus and district functions.

If you have questions concerning this letter, would like to volunteer to help revise our district plan, or need us to provide you with paper copies of the material referenced in the web sites, please contact Anne Post at 995-4613.

Sincerely,

Steve Post
Superintendent Tulia ISD
