Dear Ms. Metzinger:

Please allow this letter to serve as official notice that your project has made “substantial progress” for performance period December 2012 through September 2014. The information you provided in your annual performance report included sufficient information that allowed us to assess the following:

- Extent to which the grantee is progressing toward completion of the activities outlined in their approved scope of work
- Extent to which the grantee is implementing the project with fidelity to the approved scope of work and/or approved changes
- Extent to which the grantee is expending funds aligned to the activities in the approved scope of work and/or any approved changes
- Extent to which the grantee is meeting its outlined goals and objectives
- Extent to which the grantee is in compliance with the conditions set forth in Attachment T
- Extent to which the grantee has communicated its progress

While funding for the project has been forward funded, we do require annual reporting on progress and performance measures. Again, you have met the standard for substantial progress. Your next performance report will be due September 30, 2015.

Sincerely,

Beatriz Ceja, Program Manager
