Principal Jacki Teschke

Dear Parents:

On Thursday, October 18th, King School will participate in the Great Shake Out Earthquake Drill along with numerous other schools in California. As we prepare our students for this drill, we conducted an inventory of the Disaster Preparedness Supplies at King School.

We are asking families to make a voluntary donation to supplement our emergency supplies to King School.

If you are willing to make a voluntary donation of disaster supplies, we are looking for donations of the following:

- Case of water bottles
- Box/case of granola bars, peanut butter or cheese cracker type snacks

Donations of classroom disaster supplies can be brought to the school office or to Registration Day on August 4th. Voluntary donations of any supplies are greatly appreciated. Please know that all supplies will be shared among all students at King School regardless of the family's desire or ability to make a voluntary donation.

If you are interested in providing supplemental emergency supplies for your child, please send the supplies to your child's teacher in a gallon size, ziplock baggie. The baggie should have your child's name and room number written clearly on the outside. We are suggesting that you provide the following items for your child in the baggie:

- 2 – Water bottles
- 2 - Granola bars, peanut butter or cheese cracker type snacks
- 2 - Napkins
- 2 - Individually wrapped moist towelettes

If you would like, add a nice note from home or a family picture. Each student's baggie of supplemental emergency supplies will be sent home at the end of the school year.

We appreciate all your support in helping our school be prepared for any emergency. Your promptness in returning the filled baggies and/or other donations is greatly appreciated.

Thank you for your cooperation,

Jacki Teschke
Principal, King School
