Helpful Tips for Parents
COLLABORATION
High School Table

Student Achievement
- What and how are we going to measure our goals?
- What are the cut-scores going to be? ... a conversation that needs to happen...
- The high school’s SIP Goals coincide w/the district

Social & Emotional Development of Students
- So Emo, diversity seminar, Diversity Club, 2 inters working w/ the Michigan Round Table for Inclusion,
  youth diversity summit, student council, NHS, PASS program, student-student/staff interactions, community service vs. suspension.

Community Relations
- Parent community? or outside community?
- How do we find a common thread w/ the community?
- More local television communication? - publicise sports, concerts, the musical, etc.
- Need to reach out to School of Choice parents.

Facilities, Equipment & Materials
- Doing well and continuing to add new opportunities

Financial Stability
- We’re hoping for smooth ... to ride out the storm ...
