

Proposal:

Integrate 6-8 P.E. classes for 2017-2018 School Year

For your consideration:

1. Separate students by grade level, not gender
 - a. PE teachers will collaborate in getting students dressed in required time
2. Class breakdown: 6th & 7th and 7th & 8th classes
3. One teacher teaches for 6th & 7th Grade, the Other teacher teaches 7th & 8th
4. It will align with 9th grade PE classes
5. Allows for skill and content progression throughout 6th-9th PE classes
 - a. Developmentally appropriate skills as students get older
 - b. Increase in rigor
 - c. Alignment throughout grade level and gender (Girls are not doing something different then boy, vice versa)
6. Helps with social developments
 - a. Balance of hormones / helps with behaviors
