

Our Local Control Accountability Plan (LCAP) Meetings Keep Getting Better and Better!

If you want to see what true parent and community involvement is supposed to look like, I invite you to attend our monthly LCAP meetings. Our Delhi USD meetings are more than just going over a state document--more than just doing enough to be compliant.

In Delhi we involve our parents and community fully in the development and revision of our plan. At the same time, we make sure our parents have opportunities to tell us how to make our District better.

This year, we are "upping the ante." Our LCAP meetings now include a speaker series, where we interview parents who have had great success in raising extremely successful students. How do they do it? We want to learn. What have we done well as a District for your family and what can we do better?

We are also interviewing former students to learn from them. How did we prepare you well? What did we miss? What would you advise our students so that they may be as successful as you have been?

As you can see in Delhi we truly believe in the wisdom and expertise of our parents and students.

Please come and join us every fourth Thursday of the month; **our next meeting is Thursday, October 27, 2016!**

Our meetings begin at **6:30 p.m.** with a complimentary light dinner. Presentations and activities begin at 7:00 p.m. and end at 8:00 p.m. And, of course, we provide free child care.

Together we can accomplish great things!

Thank you,

Adolfo Melara
