Prepare & Inspire

OUR VISION

OUR STUDENTS		<p>All Gorham students are confident learners who embody integrity, responsibility, and respect. They demonstrate resilience by embracing and overcoming challenges in the classroom and in the community. All students are critical thinkers and clear communicators who successfully navigate our changing world.</p>
OUR LEARNING		<p>All Gorham students actively engage in learning that is academically rigorous and challenging in meaningful ways. Students analyze real world problems and share innovative solutions that extend beyond the classroom into the community. Learning is personalized to meet the needs and to honor the passions of all students.</p>
OUR CULTURE		<p>All Gorham students learn in safe, positive, and inclusive environments that support risk-taking. Our staff builds strong, caring relationships with all students. Classrooms are collaborative and interactive where students have real choices and responsibilities.</p>

All Gorham students are prepared and inspired to take on the complex challenges facing our current and future world.

GORHAM SCHOOLS
Prepare & Inspire

- 

All students can learn, be successful, and do extraordinary things.
- 

Strong relationships are foundational to learning.
- 

All students learn best in safe, caring environments.
- 

Each student is unique and learns in different ways and at different rates.
- 

Meaningful learning connects student interests and real world contexts.

OUR CORE BELIEFS FOR LEARNING

- 

Learning involves taking risks, making mistakes, and reflecting on outcomes.
- 

All students need timely, genuine feedback to meet high expectations.
- 

Celebrating success increases motivation and builds self-esteem.
- 

When schools, families, and communities create true partnerships learning is enhanced.
- 

Learning is a lifelong endeavor sparked by curiosity.
