### May Crowning

Mother Mary, Pray for Us! On May 6, the 2<sup>nd</sup> Grade Students hosted the May Crowning Mass to honor Mary, our Mother of God. St. Anthony

students, dressed in their Sunday best, brought flowers of every color and scent, and placed them around our Queen of Heaven. Father Albeen celebrated the Mass and reminded us that, "What we are is God's gift to us, and what we become is our gift to God." The beautiful celebration ended with a crown of baby's breath, which was placed on Mary's head by 6<sup>th</sup> Grade Students, Jimmy Bustillos and Anna Crout.

On behalf of the staff of St. Anthony Catholic School, **HAPPY MOTHER'S DAY** to all Moms, Grandmas, and those who act as Moms to our STA Eagles.

## House Games – Friday, May 20

It is that exciting time of year again ... HOUSE GAMES! We need LOTS of volunteers to make this day a success! We simply cannot do it without you! You all love to see your children compete, and the children love this fun day! So, come out and volunteer for *at least one* shift and see them during another! OR, feel free to volunteer for more than one shift ... then, you can man the game when your child is at that station :). *Moms and Dads are both great help!* We will need volunteers for all of the following:

- 1) Set up that morning (*Dads would be great help for this shift*);
  - 2) Help with games;
  - 3) Hand out popsicle snacks;
  - 4) Man the water station; and
  - 5) Help box lunches to deliver to the Houses after the games are over (*Dads would be great help for this shift*)
- Thank you so much for all that you do for our school! You are one of the reasons our school is SO great! If you have any questions, please do not hesitate to contact Krista Andy @ [ksandy1216@gmail.com](mailto:ksandy1216@gmail.com)

Spanish in the Garden – Mrs. McCarty gave the 3<sup>rd</sup> Grade Class a “taste of Spanish” by teaching them Spanish names of some of our favorite veggies.

“Hemos plantado rábanos en el jardín.”

## Is that one of our American Patriots, Paul Revere or.....

The Kindergarten Class learned what it's like being an American Patriot back during the birth of our country. Michael Schenk (Grandfather of Matthew Schenk) gave the children a history lesson on minutemen and patriots, and answered questions on the way they dressed.

Economics Fair – 3<sup>rd</sup> Grade Students are designing and creating items for their Economic Fair scheduled for this coming week. Each group works together to produce an article that they think will be the new “hot item”. Here's a sneak peek!
