10	Letters indicating status of application (Accepted, Waitlist) are sent to families. Families of Accepted students are requested to accept or decline their child's seat via a Google form by 4 p.m. April 6, 2018 . Families whose children are on the waitlist may receive a communication from Millikan as soon as May, but will most likely receive a communication sometime between May and September 2018 that a seat has become available. Families are strongly encouraged to respond to this communication quickly as it allows the school site to secure your child's seat or offer their seat to the next child anxiously awaiting this offer. Keep in mind, at one point in time your child was "the next child" on the list!

20	Lists will be posted by teachers of Advanced-level classes, such as Drama Production, Musical Theater, and Advanced Dance on the last day of school. Please be mindful of the fact that if a student auditioned for and was accepted in to more than one advanced-level class, scheduling constraints may hinder our ability to build a schedule that contains all advanced-level classes a student wishes to take. We will always do our best as a school to accommodate a student's wishes, but from time to time difficult choices must be made.
