School Description

Principal's Message

It is my pleasure to introduce this annual School Accountability Report Card. The data and information contained within these pages will prove useful in informing you about our school, including but not limited to academic standings, curriculum and instruction, school facilities, budget and facility enhancement. As you read our School Accountability Report Card, you will see a school that ensures every child has equal access to a rigorous standards based core curriculum in language arts, mathematics, science, and social studies. We also offer many rigorous programs such as Advance Placement and the International Baccalaureate. The IB Diploma Program is the most rigorous program we offer. In addition to our challenging courses, we successfully launched other programs that will help place FHS among the most exceptional schools in the area: the Project Lead the Way (PLTW) engineering pathway, Film and Production pathway and Biomedical pathway all add to preparing our students for the careers that await them.

Our hard-working staff is skilled and dedicated. We place student success first and our parents and the community organizations are becoming very active and supportive. Our goal in presenting parents with this information is to keep our community well-informed. At Firebaugh High School, there is a culture of pride and ownership and the purpose is learning. The goal of the school is to provide a high quality education that prepares all students to become responsible, independent, socially aware, lifelong learners prepared to design their futures, as well as exercising choice regarding their post-high school education and careers. As the year continues, our leadership team and staff will meet periodically to address our challenges and adjust accordingly to ensure the best possible experience for our students. We will begin preparation for a Western Association of School Creditation (WASC) mid-cycle review visit in the Spring of 2017-2018.

Mission Statement: Firebaugh High School aims to inspire and develop inquiring, knowledgeable, and caring young people who help to create peaceful world through intercultural understanding and respect in the 21st Century. To prepare students, they will be enrolled in courses which meet the graduation and UC A-G requirements. The A-G courses are high school courses approved by the University of California as those which best prepare students for academic success at the university.

Major Achievements

- In supporting our district's mission of equity and access for all students, FHS has continued to have open access to all classes (general education, IB, AP) for all students. Over the course of the last three years we've had an increasing number of students taking and passing IB and AP exams.
- The total number of AP students has increased by 39 students from 2016 to 2017. In 2013 there were 40 students enrolled in AP courses. In 2017, there are 298 students enrolled in AP courses.
- There has also been a steady increase of enrollment in IB courses from 68 students in 2010 to 221 students in 2017. Results indicate that more students are taking and passing the IB exams.
- In 2016-2017 Firebaugh High School continues to maintain a 96% cohort graduation rate. A cohort is the number of students that start in 9th grade at any given high school. Our graduation rate has been climbing steadily over the last six years.

- Along with our graduation rate, we had 96% of our seniors graduate A-G ready which means that they were prepared to take college-level classes upon graduation.

Focus for Improvement

- Firebaugh High School has improved significantly in several academic areas this school year, but the school has identified areas of improvement. Historically our subgroups have under performed for several years. The school's focus this year is to support our English Language Learners and Students with Disabilities so that the achievement gap decreases. Teachers will be monitoring students within their classes and providing differentiated instruction to students within those two subgroups.
- Rigor and Relevance must be evidenced daily through Checking For Understanding in every classroom.
- All core content areas continue to find areas of improvement with an emphasis on Math and English. Our leadership this year will re-focus our efforts in our data reflection protocol where we analyze benchmark test results with grade level/ subject level teachers and share best practices. We will provide opportunities for collaboration and support our teachers by providing instructional materials and professional development to continue to address our area of need. The Administrative team is committed to implementing AVID Strategies school-wide to support academic achievement.
- Firebaugh High School continues to find ways to improve student success in classes. The staff will continue to analyze the number of students receiving Ds and Fs in order to reflect on their teaching so that students have more success in classes. The D/F rate has impact on the school's graduation rate since it requires students to take credit recovery courses and summer school courses to make up classes.
- Stakeholders jointly develop school-wide approaches involving all staff to improve attendance due to large numbers and truanancies impacting the learning process.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2016-17 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	485
Grade 10	467
Grade 11	447
Grade 12	379
Total Enrollment	1,778

2016-17 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	6.1
American Indian or Alaska Native	0
Asian	0
Filipino	0.1
Hispanic or Latino	92.9
Native Hawaiian or Pacific Islander	0.2
White	0.7
Two or More Races	0.1
Socioeconomically Disadvantaged	91.5
English Learners	14.2
Students with Disabilities	8.4
Foster Youth	0.3

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Marco Antonio Firebaugh High School	15-16	16-17	17-18
With Full Credential	77	74	74
Without Full Credential	0	1	2
Teaching Outside Subject Area of Competence	0		0
Lynwood Unified School District	15-16	16-17	17-18
With Full Credential	♦	♦	
Without Full Credential	♦	♦

Teacher Misassignments and Vacant Teacher Positions at this School			
Marco Antonio Firebaugh High School	15-16	16-17	17-18
Teachers of English Learners	0	0	0
Total Teacher Misassignments			0
Vacant Teacher Positions	0	0	

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

We choose our textbooks from lists that have already been approved by state education officials. For a list of some of the textbooks we use at our school, see the Data Almanac that accompanies this report.

We have also reported additional facts about our textbooks called for by the Williams legislation of 2004. This online report shows whether we had a textbook for each student in each core course during the 2013–2014 school year and whether those textbooks covered the California Content Standards.

Textbooks and Instructional Materials Year and month in which data were collected: 12/2017	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	Holt Literature and Language Arts 3rd ed., 9th English/Language Arts 2003 Holt Literature and Language Arts 4th ed., 10th English/Language Arts 2003 Holt Literature and Language Arts 5th ed., 11th English/Language Arts 2004 Holt Literature and Language Arts, 12th English/Language Arts 2003 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Mathematics	McDougal Littell, Algebra 1, Algebra 2 Math 2001 McDougal Littell, Geometry Math 2004 Houghton Mifflin, Precalculus Math 2004 Houghton Mifflin, Calculus Math 2004 Houghton Mifflin Statistics Math 2004 Statistics Math 2009 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0

Textbooks and Instructional Materials

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

Safety at this facility is our main concern. The Firebaugh High School buildings are in good condition. Our school staff and District Maintenance department work hard to ensure that all restrooms are clean and overall in good condition.

All mechanical systems at the school are in working condition. There is no structural damage since the buildings are new. Drinking fountains (inside and out), grounds and electrical system are all in good condition. Our school provides a safe, clean environment for students, staff, and volunteers. Classrooms, bathrooms, and general areas are in good repair and receive basic cleaning on a daily basis. Detailed cleaning is done during vacation periods. The district provides maintenance services on a regular schedule or when an emergency occurs.

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. The district administers a scheduled maintenance program to ensure a suitable learning environment. At the time this report was published, all restrooms on campus were in good working order. Daily reports of incidents that require repair at the school sites are processed through work orders. Emergency repairs are given the highest priority. The remaining incidents are handled on a first-come, first-served basis to ensure efficient service. The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. The district's complete deferred maintenance plan is available at the district office.

Future projects and improvements in 2016 include athletic field conditioning. Projects completed in 2014-2015: solar roof panels, technology updates, and the painting of the entire facility.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

School Facility Good Repair Status (Most Recent Year)
Year and month in which data were collected: 2/6/2015

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Good	Fair	Poor		
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X				
Interior: Interior Surfaces		X			
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation			X		Excessive clutter in classroom, graffiti in Boys restroom 2210. Excessive clutter removed in classroom. Graffiti removed from restroom. restroom painted.
Electrical: Electrical		X			
Restrooms/Fountains: Restrooms, Sinks/ Fountains	X				
Safety: Fire Safety, Hazardous Materials		X			
Structural: Structural Damage, Roofs	X				
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X				
Overall Rating	Exemplary	Good	Fair	Poor	
			X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	53	42	32	33	48	48
Math	11	8	20	22	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	468	409	87.4	23.5
Male	248	217	87.5	27.2
Female	220	192	87.3	19.3
Black or African American	31	25	80.7	28.0
Hispanic or Latino	434	382	88.0	23.0
Socioeconomically Disadvantaged	428	374	87.4	23.0
English Learners	82	68	82.9	2.9
Students with Disabilities	50	45	90.0	6.7

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	36	23	38	35	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	24.2	24.5	18.9

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	401	396	98.75	41.73
Male	208	206	99.04	33.17
Female	193	190	98.45	51.06
Black or African American	27	27	100	40.74
Hispanic or Latino	371	366	98.65	41.6
Native Hawaiian or Pacific Islander	--	--	--	--
White	--	--	--	--
Socioeconomically Disadvantaged	360	355	98.61	41.19
English Learners	91	90	98.9	8.99
Students with Disabilities	39	39	100	7.89
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2016-17 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	401	388	96.76	7.53
Male	208	203	97.6	8.87
Female	193	185	95.85	6.04
Black or African American	27	26	96.3	11.54
Hispanic or Latino	371	359	96.77	7.02
Native Hawaiian or Pacific Islander	--	--	--	--
White	--	--	--	--
Socioeconomically Disadvantaged	360	348	96.67	7.2
English Learners	91	88	96.7	0
Students with Disabilities	39	38	97.44	2.63
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents are a welcome partner at Firebaugh High School and we value parental and community input. There are many activities, workshops and trainings for parents to become active participants. One of the areas for parental involvement is the School Site Council (SSC). Another opportunity for parents is our English Language Learner Advisory Council (ELAC) and School Advisory Council (SAC). The Councils are held on campus to provide parents with information, knowledge, skills, and a personal commitment to improve their child's education. Parents have an opportunity to be aware of, and take part in, the process of decision-making that affects student learning. Based on an analysis of parent attendance, and parent input at several parent involvement activities, parents are further understanding our growing school culture and are motivated to continue to support increased academic achievement Firebaugh students, as well as supporting the growth of a positive climate and learning environment.

Once a month the school hosts "Coffee with the Principal" sessions which are designed to provide an open forum for parents to discuss a variety of issues, up coming events and changes that are being implemented at the school site. Other activities such as our Back-to-School Night, provide parents the opportunity to participate in a training to learn how to navigate the Parent Portal so they could access our school website and obtain information about their student's grades, attendance, missing assignments, etc. Throughout the year, parents could also talk to the grade-level counselors to and the Community Liaison to get additional training on how to use this Portal.

Additional parental involvement opportunities include:

Back to School, School Councils, School Wide Title I meeting, English Language Reclassification Ceremony, Falcon Achievement Awards, Typing Club, Burning Calories and Crime, Council Potlucks, Open House, and Parent Workshops which include: College and University Information and Financial Aid for College. The goals for this year is to add a Parent-Teacher Organization (PTO).

There are a variety of ways that invitations are provided to the parents to ensure equity and access to various activities at the school such as: emails, Remind App, School loop and phone calls to parents.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety of students and staff is a primary concern of Firebaugh High School. Administrators, safety officers and teachers regularly monitor the campus. All visitors must sign-in at the office and wear identification badges throughout the duration of their stay. Students are required to show their ID's before they enter the campus.

The school safety plan is revised every spring by the School Site Council, and revisions are shared immediately with all members of the staff. The key elements outlined within the plan include: 1) child abuse reporting procedures; 2) teacher notification of dangerous pupils procedures; 3) disaster response procedures; 4) procedures for safe entrance and exit from school; 5) sexual harassment policy; 6) suspension and expulsion policies; 7) dress code; 8) discipline policies. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during disaster. Fire and disaster drills are conducted on a regular basis throughout the school year.

Suspensions and Expulsions			
School	2014-15	2015-16	2016-17
Suspensions Rate	2.8	4.1	6.5
Expulsions Rate	0.0	0.0	0.0
District	2014-15	2015-16	2016-17
Suspensions Rate	2.5	3.4	3.5
Expulsions Rate	0.0	0.0	0.0
State	2014-15	2015-16	2016-17
Suspensions Rate	3.8	3.7	3.6
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2017-18 Federal Intervention Program		
Indicator	School	District
Program Improvement Status	In PI	In PI
First Year of Program Improvement	2007-2008	2006-2007
Year in Program Improvement	Year 5	Year 3
Number of Schools Currently in Program Improvement	17	
Percent of Schools Currently in Program Improvement	89.5	

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	5.0
Counselor (Social/Behavioral or Career Development)	0.25
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	2.0
Psychologist	1.0
Social Worker	1.0
Nurse	1.0
Speech/Language/Hearing Specialist	0.25
Resource Specialist	4.0
Other	15
Average Number of Students per Staff Member	
Academic Counselor	360

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
English	30	30	27	15	15	15	18	18	17	40	40	29
Mathematics	30	30	29	16	16	12	12	12	22	43	43	34
Science	30	30	30	11	11	7	21	21	24	32	32	29
Social Science	30	30	28	8	8	19	15	15	12	30	30	35

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Staff development focus has been on Common Core and literacy. Based on the upcoming state test and surveys from staff we determined our needs in regards to staff development. Teachers attend PDs on our minimum days, staff meetings and district created workshops throughout the year.

Our school is also implementing the district's multi-year professional development plan. This plan provides training for all coaches, administrators, and teachers and includes:

- Curriculum Alignment Institutes
- Researched based professional development that supports students' needs and based on student data
- Instructional Coach Training
- Site Administrative Training and Coaching
- Summer Strategies Training and Practicum (with ELD/Academic Language Development for English Learners) outlined throughout the year
- Professional development for teachers & administrators on instruction in Standard English for African American students which includes follow up work with teachers and students

Various professional development and follow-up trainings have been conducted throughout the year. Below are snapshots of PDs that have taken place or are in the process:

- Principal's Exchange facilitated the Summer Institute addressing common core for all core subjects
- Math will be attending various professional developments that will help them focus on math literacy as well as strategies to address the common core and overall student achievement in mathematics.
- AVID Summer Institute for our AVID teachers
- AP/IB Workshops for our AP/IB program

The district has also implemented a monitoring system to ensure the effectiveness of professional development for our staff. The monitoring system includes follow up sessions and site visits from district professional development facilitators.

FY 2015-16 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$47,603	\$48,522
Mid-Range Teacher Salary	\$79,532	\$75,065
Highest Teacher Salary	\$92,627	\$94,688
Average Principal Salary (ES)	\$109,493	\$119,876
Average Principal Salary (MS)	\$111,064	\$126,749
Average Principal Salary (HS)	\$123,583	\$135,830
Superintendent Salary	\$231,678	\$232,390
Percent of District Budget		
Teacher Salaries	34%	37%
Administrative Salaries	6%	5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded

The Lynwood Unified School District is committed to academic excellence by providing the best possible learning opportunities for all students. Our district provides a wide variety of academic programs and socio-emotional services for students to reach their academic goals. Some of the programs and services provided for students in Lynwood Unified School District include:

- Title I
- Migrant Education
- SES Tutoring
- Title III - Interventions
- LCAP
- Language Proficiency Testing (CELDT)
- AVID
- Special Education Services
- Resources for Foster Youth and Homeless Students
- Common Assessment Data Compilation

Students with Disabilities	92.24	73.84	85.45
Foster Youth	75	33.33	68.19

Career Technical Education Programs

Firebaugh High School provides Career Technical Education pathways for students within the regular school day. Students have the opportunity to seek a career pathway that will support them in succeeding in college and obtaining vocational goals. In addition, the district is making preparation to integrate Linked Learning which will align core classes to students' career choices.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
