

Transportation Offered To Fairfield's School-Based Health Center

Medical, Vision, Dental, and Behavioral Health providers all in one convenient location.

September 28, 2017. From Left, Kay Carran transports Rejoice Ackah, student at Fairfield High School to Fairfield's School-Based Health Center.

Did you know... Over 400 students have been transported to Fairfield's School-Based Health Center? **Students can receive free transportation to and from the School-Based Health Center during the school day.** This service helps eliminate barriers parents face when scheduling routine and preventative medical, dental, or vision appointments.

Don't let your work schedule get in the way of your child's medical, dental, or vision needs. Call the School-Based Health Center today to set up your child's first appointment.
