

Fair Grove Elementary Title 1 Parent Involvement Policy 2017-2018

Title 1 is a federal program which provides additional money to qualifying schools. At Fair Grove Elementary, we believe that by working together we can help your child reach his/her full potential.

Fair Grove Elementary will ensure that all families are provided the opportunity to sign a compact to help students succeed. The School-Parent-Student Compact shows ways to make sure that every student meets state student performance standards.

The goal of Fair Grove Elementary's Title 1 Program is to reach all families in a team-building effort in order to comply with all State and Federal requirements.

Fair Grove Elementary Shall:

- * Convene an annual public meeting
- * Offer a flexible number of meetings/workshops/parent conferences that will lead to improve student achievement
- * Involve parents in an organized, ongoing, and timely way in the planning, reviewing and improvement of programs
- * Provide all involved parties (including students) the opportunity to sign a School-Parent-Student Compact
- * Provide reasonable opportunities for parents to participate in his/her child's class and observe classroom activities
- * Assist parents in understanding state academic content and student performance standards as well as state and local assessments
- * Communicate in a language parents can understand
- * Provide opportunities for participating in school activities for all parents, including parents with disabilities and limited English proficiency
- * Offer parent-training workshops and other activities and provide opportunities for parent feedback
- * Provide opportunities for parents to give feedback or suggestions for improvement of school and academic programs

This year we will have four Parent University Nights. Invitations and reminders will go home to notify parents of these events. The media center will be open during these nights for open checkout. These nights will also align with PTO

meetings so that parents can be present for both. Teachers will be required to attend all Parent University nights since there will only be four this year.
