

Field Trip Medication Information

- Medication Consent Form completed and **signed by the physician and parent/guardian** for each medication that will be needed on the field trip (one form per medication). This will need to be turned in with the medication by the parent **one week prior** to the field trip.
- The parent/guardian will need to bring the medication in the original container one week prior to the field trip. Please check the expiration dates, we are not permitted to administer expired medication. Please only send enough medication for the field trip, plus one dose.
- Students are only permitted to carry Emergency Medications (Inhaler, Epi Pen, Insulin). The parent will need to submit the **Self Carry Form** in addition to the **Medication Consent Form**. This form will need to be **signed by the physician and the parent/guardian**.
- **No medication will be accepted the day of the field trip**, with the exception of an illness or injury diagnosed one day prior to the trip or the weekend prior to a trip departing on a Monday.
- **All medications on file in the health room will be sent on the field trip.** There is no need to complete additional forms unless the student will need the medication on a different dosage schedule than authorized during the school day.
- Please contact Ashley Sabo or Monica Kocell with any questions at 704-238-8883, or asabo@unionacademy.org / mkocell@unionacademy.org .
