

## August 8, 2017 Board Meeting

- ◆ The Board passed a resolution to approve an exception to the 180-day wait period to authorize the temporary employment of a CalPERS retiree as a temporary school bus driver. This will help the District to fill one of three vacant bus driver positions.
- ◆ Authorization was approved for the District to utilize Cooperative Purchasing Contacts (piggyback), Multiple Award Schedules, and other approved California State contracts. This allows for the purchase of technology, equipment, materials, services, and supplies by expediting the bid process through public purchasing contracts.
- ◆ The response to the Grand Jury Report regarding exemptions from Parcel Tax was unanimously approved by the Board.
- ◆ Board members approved several routine, annual contracts for the 2017-2018 school year.
- ◆ Annual personnel items, contracts/contract adjustments, and consent agenda items were also approved.
