

Instruction**SUMMER SCHOOL**

The Governing Board recognizes that summer school provides valuable opportunities for students to improve their skills and make academic progress. When the need is demonstrated and funds are available, the Superintendent or designee, with Board approval, shall establish summer school day and/or evening classes for purposes of remediation, enrichment, and/or acceleration.

The district's summer school program may be used to provide supplemental instruction for students failing to meet academic requirements and/or students who desire enrichment in core academic subjects in accordance with law, Board policy, and administrative regulation.
