Immunization Requirements

Parents are required to provide the school with an immunization record. These immunizations are required by Statute 1003.22. A student can and will be excluded from school if immunization requirements are not met.

State of Florida Immunization Requirement Guidelines	
Pre-Kindergarten (PK)	4 DTP/DTaP (Diphtheria, Tetanus, Pertussis) 3 Polio 4 Hib (Haemophilus influenzae type b) 1 MMR (Measles, Mumps, Rubella) 3 Hepatitis B 1 Varicella ⁺ (chickenpox)
Kindergarten (KG) - 6 th Grade	5 DTP/DTaP* 4 Polio ** 2 MMR 3 Hepatitis B 2 Varicella ⁺ for KG - 6 th Grade
7 th Grade - 12 th Grade	5 DTP/DTaP 4 Polio 2 MMR 3 Hepatitis B 1 Tdap 2 Varicella ⁺ for 7 th - 12 th Grade
* For Kindergarten entry, if the 4 th dose of DTaP was administered at age four or older, the 5 th dose of DTaP is not required. ** For Kindergarten entry, if the 4 th dose of polio was administered before the fourth birthday, a 5 th dose of polio is required. ⁺ Varicella vaccination is not required if varicella disease is documented by a healthcare provider.	

For additional information and resources, visit www.immunizeflorida.org. To schedule an appointment for vaccinations, contact your primary healthcare provider or the Florida Department of Health in Citrus County.
