

Park School Site Council Minutes February 6, 2017

School Site Members present: (See attached chart)

- I. **Call to Order:** School Site Council was called to order at 3:32 p.m. by Dr. Molina-Solis.
- II. **Approval of the Agenda and the SSC Minutes:** The Minutes for 01/09/16 were unanimously approved.
G. Amenta/ S. Cruz
- III. **Principal's Report:** Park School Principal Dr. Molina-Solis gave her report.
 - Parents were invited to attend this meeting as Dr. Molina-Solis reviewed all AUSD LCAP goals with a short summary for parents to easily understand. Goals 3 & 5 were specifically mentioned to parents as probably the most applicable to them. Feedback, requests, etc. were collected via post-it note to be shared with the district. Parents were also encouraged to log-on to the AUSD website to complete the LCAP survey.
- IV. **Safety Committee:** Assistant Principal, Carin Gasca presented the Park School updated Safety Plan to SSC members. The Safety Plan covers school climate and physical environment. Last year, most goals were not met (student of month addition, monthly quotes in cafeteria, auditorium speakers. Park is successful with closed campus implementation. A few of last year's goals were in progress regarding bathroom cleanliness and adding trashcans. New revised goals as developed by the safety committee were discussed. We will add student of the month additional most improved student to the current student of the month system. Quotes will be added to grade level boards already in place in the main office. ASB to bring in motivational assemblies for students. Staff will be asked to attend critical incident training. Emergency kits and generator upgrade is planned, as well as adding more trashcans decorated by students and portable speakers for auditorium and emergency evacuation area.
A motion to approve the 2016-2017 Safety Plan was made and unanimously carried. S. Cruz/ P. Fung.
- V. **Expenditures, Technology purchase:** Instructional Specialist M. Steep led a discussion regarding specific technology to purchase with our technology budget. We previously discussed using \$40,000 on technology to help struggling students with supplemental programs and supports. M. Steep provided a spreadsheet with technology items, prices and quantities to purchase. Utilizing previously purchased carts with obsolete technology, Chromebooks will be purchased along with new carts and a few ELMOs and Epson projectors to have as replacements. A motion to approve the technology purchases with the technology budget was made and unanimously carried. L. Burnett/M. Steep
- VI. **Adjournment:** The SSC adjourned at 4:35. Next meeting will be on 2/6/2017. Topics for next

meeting will include planning for next year, reviewing goals and corresponding expenditures projected for next year.

Respectfully submitted by Myriame Steep, Park School Site Council member.
