Gadsden Elementary School District #32 closure update

San Luis, AZ- On April 19, 2018, statewide teacher leadership announced a scheduled walkout to begin April 26 as part of the #RedforEd movement and the demand for increased funding for public schools in Arizona.

As a result, all district schools will be closed on **Thursday, April 26, 2018, and Friday, April 27, 2018** as the safety of our students is our main priority. The duration of the walkout remains unknown, however we will monitor the situation closely and continue to communicate changes in a timely manner.

All schools in the district will be closed, meaning that extracurricular student activities will be suspended during school closures including before and after school tutoring and athletic programs. Field trips that were scheduled ahead of the school closures will be addressed on an individual basis and parents will be updated. During the closures, no attendance is recorded, so you do not need to call the school.

Gadsden School District Cafeterias will remain open during the school closure to provide healthy meals for the students in the community.

Breakfast

8:00a.m-9:00a.m

Lunch

11:00a.m.-12:00p.m.

District plans will be reviewed regularly and updated as needed. We will continue to share information via our telephone notification system (School Messenger), district Facebook, and district website (gesd32.org).

Sincerely,

Dr. Raymond Aguilera
Superintendent
