

# SUMMER LEARNING

Students can continue to log in to all programs through Clever using their user names and passwords, even during summer! Parents—you can find this by going to the school or district website and click on Students & Parents in the top menu and then Educational Links from the drop down menu. OR use the QR code to get right to the Ed Links page.

Additionally there is a help link on the Clever portal page that you can click to get district tech support directly if you are having sign in problems.

BECAUSE LEARNING MATTERS...EVEN IN THE SUMMER!
