Student Mission Statement

I am responsible for my actions

The mission of Patrick Copeland School is to provide a safe, positive learning environment, enabling all children to reach their full potential. We are committed to accomplish this mission by teaching, encouraging and rewarding responsible behavior. We are striving to improve our school climate and to promote acceptable social skills and good citizenship.

Outlined in our Operation RED brochure is Patrick Copeland's Cardinal Responsibilities.

Students receive praise and positive reinforcement from the teachers and staff daily for demonstrating appropriate school behavior.

Special celebrations are planned each quarter for children who have demonstrated responsible school behavior. Students receiving an office referral or conduct forms for inappropriate behavior attend a booster session to reinforce positive behavioral expectations.

I will solve challenges without arguing and fighting:
