

Texas Ed. Code 22.052 - Students taking medication at school need medication in original container with written permission from the parent or legal guardian. A form must be on file with the school before medication can be given.

When possible, medication should be administered at home using a schedule that will not require doses during school hours.

Please note that at Thrall ISD Emergency Medical is activated by a call to 911

Doctor: _____ Phone # _____ Dentist: _____ Phone # _____
Hospital preference _____

Alternate Adult Contact: In case of emergency. I hereby allow Thrall ISD to allow my child to leave school with the persons listed on this document:

Name: _____ Relationship _____ Phone # _____
Name: _____ Relationship _____ Phone # _____
Name: _____ Relationship _____ Phone # _____

To ensure the care of my child, I read and agree that pertinent health information may be provided to appropriate school staff via email or electronically or phone within the limitations of the Family Educational Rights and Privacy Act and District Policy. I agree that the school nurse may consult with my child's doctor about the above medical conditions. I agree to alert the school nurse on any changes in medication and/or health status of my child. I will furnish the school with current phone numbers and address in case of an emergency.

I understand that NO students (PK – 12grade) are allowed to have medication in their possession during school hours with the exception of students with diabetes, asthma and allergy that causes anaphylaxis then only if the appropriate forms are completed and the student is able to follow the rules.
