

Class	9 th	10 th
Honors English	<ul style="list-style-type: none"> Enrollment based on scores from English placement test (reading/writing assessment) given in Spring Summer reading/assignment required 8th grade English teacher input is considered 	<ul style="list-style-type: none"> Enrollment based on scores from English placement test (reading/writing assessment) given in Spring Summer reading/assignment required 9th grade English teacher input is considered
Honors Biology	<ul style="list-style-type: none"> Student selection determined by Smarter Balanced test scores If space is available, students who meet or exceed the standard on both the Math and English Smarter Balanced Assessments will be considered. 	
AP World History		<ul style="list-style-type: none"> Sign up with counselor 3.0 over all GPA (if seats available then at least 2.5 GPA)
AP Chemistry		<ul style="list-style-type: none"> Completion of Biology AND Algebra 2 with a B or better grade If space is limited, selection is by lottery If space available, consideration given to students who have completed Geometry Honors with a B or better grade. Summer work required
Honors/AP math (except AP Stats)	<ul style="list-style-type: none"> Consideration given to students ranked in the top 10% according to quarterly assessment data. Successful completion of 2nd semester math with a C or better 	<ul style="list-style-type: none"> Consideration given to students ranked in the top 10% according to quarterly assessment data. Successful completion of 2nd semester math with a C or better.
AP Statistics		<ul style="list-style-type: none"> Pass Algebra 2 with a C or better (if space available, will considered students who have completed Geometry Honors)
AP Spanish Language	<ul style="list-style-type: none"> Successful completion of Spanish 3 and approval by AP Spanish language teacher Students who are Spanish speakers will be assessed by AP Spanish language teacher Summer work required 	<ul style="list-style-type: none"> Successful completion of Spanish 3 and approval by AP Spanish language teacher Students who are Spanish speakers will be assessed by AP Spanish language teacher Summer work required
AP Chinese		<ul style="list-style-type: none"> Completion of Mandarin 3 with a B or better and placement determined by AP Chinese Culture and Language teacher. Summer work required
AP Computer Science		<ul style="list-style-type: none"> B or better in Honors Algebra 2 Placement determined by meeting with AP Comp Sci teacher Summer work required
AP Studio Art 3D Design	<ul style="list-style-type: none"> Prerequisite Intro to Art Recommended completion or concurrently enrolled in Ceramics or Sculpture Summer work required 	<ul style="list-style-type: none"> Prerequisite Intro to Art Recommended completion or concurrently enrolled in Ceramics or Sculpture Summer work required
AP Studio Art Drawing	<ul style="list-style-type: none"> Prerequisite Intro to Art Recommended completion or concurrently enrolled in Drawing & Painting Summer work required 	<ul style="list-style-type: none"> Prerequisite Intro to Art Recommended completion or concurrently enrolled in Drawing & Painting Summer work required
AP Studio Art 2D Design	<ul style="list-style-type: none"> Prerequisite Intro to Art Recommended completion or concurrently enrolled in Graphic Design, Printmaking or Art in Motion Summer work required 	<ul style="list-style-type: none"> Prerequisite Intro to Art Recommended completion or concurrently enrolled in Graphic Design, Printmaking or Art in Motion Summer work required

Class	11 th	12 th
AP Environmental Science	<ul style="list-style-type: none"> • Completion of Biology and Chemistry with a C or better • Summer work required 	<ul style="list-style-type: none"> • Completion of Biology and Chemistry with a C or better • Summer work required
AP Physics 1	<ul style="list-style-type: none"> • Completion of Biology and Chemistry with a C or better • Concurrent enrollment or completion of Algebra II with a C or better 	<ul style="list-style-type: none"> • Completion of Biology and Chemistry with a C or better • Concurrent enrollment or completion of Algebra II with a C or better
AP Physics C	<ul style="list-style-type: none"> • Completion of Biology and Chemistry with a C or better • Concurrent enrollment or completion of Calculus with a C or better 	<ul style="list-style-type: none"> • Completion of Biology and Chemistry with a C or better • Concurrent enrollment or completion of Calculus with a C or better
AP Biology	<ul style="list-style-type: none"> • Completion of Biology and Chemistry with a C or better • If space is limited, selection is by lottery • Summer work required 	<ul style="list-style-type: none"> • Completion of Biology and Chemistry with a C or better • If space is limited, selection is by lottery • Summer work required
AP Chemistry	<ul style="list-style-type: none"> • Completion of Biology AND Algebra 2 with a B or better grade • If space is limited, selection is by lottery • If space available, consideration given to students who have completed Geometry Honors with a B or better. • Summer work required 	<ul style="list-style-type: none"> • Completion of Biology AND Algebra 2 with a B or better grade • If space is limited, selection is by lottery • If space available, consideration given to students who have completed Geometry Honors with a B or better. • Summer work required
	•	•
Conceptual Physics	<ul style="list-style-type: none"> • Successful completion of Biology and completion of Chemistry (does not have to pass Chemistry, only taken it) • Can enroll in other AP Science course 	<ul style="list-style-type: none"> • Successful completion of Biology and completion of Chemistry (does not have to pass Chemistry, only taken it) • Can enroll in other AP Science course
Anatomy/Physiology	<ul style="list-style-type: none"> • Completion of Biology and Chemistry with a C or better • Priority enrollment to students interested in Sports Medicine/Physical Therapy • Cannot concurrently enroll in an AP Science class 	<ul style="list-style-type: none"> • Completion of Biology and Chemistry with a C or better • Priority enrollment to students interested in Sports Medicine/Physical Therapy • Cannot concurrently enroll in an AP Science class
AP Spanish Language	<ul style="list-style-type: none"> • Successful completion of Spanish 3 and approval by AP Spanish language teacher • Students who are Spanish speakers will be assessed by AP Spanish language teacher • Summer work required 	<ul style="list-style-type: none"> • Successful completion of Spanish 3 and approval by AP Spanish language teacher • Students who are Spanish speakers will be assessed by AP Spanish language teacher • Summer work required
AP Chinese	<ul style="list-style-type: none"> • Completion of Mandarin 3 with a B or better and placement determined by AP Chinese Culture and Language teacher. • Summer work required 	<ul style="list-style-type: none"> • Completion of Mandarin 3 with a B or better and placement determined by AP Chinese Culture and Language teacher. • Summer work required
AP Computer Science	<ul style="list-style-type: none"> • B or better in Honors Algebra 2 • Placement determined by meeting with AP Comp Science teacher • Summer work required 	<ul style="list-style-type: none"> • B or better in Honors Algebra 2 • Placement determined by meeting with AP Comp Science teacher • Summer work required
AP Euro History	<ul style="list-style-type: none"> • Sign up with counselor • Must have 3.0 overall GPA (if space available, must have at least 2.5 overall GPA) 	<ul style="list-style-type: none"> • Sign up with counselor • Must have 3.0 overall GPA (if space available, must have at least 2.5 overall GPA)

AP Government		<ul style="list-style-type: none"> • Sign up with counselor • Must have 3.0 overall GPA (if space available, must have at least 2.5 overall GPA) • Summer work required
AP US History	<ul style="list-style-type: none"> • Sign up with counselor • Must have a least 3.0 overall GPA (if space available, must have at least 2.5 overall GPA) • Summer work required 	
Honors/AP math (except AP Stats)	<ul style="list-style-type: none"> • Consideration given to students ranked in the top 10% according to quarterly assessment data. • Successful completion of 2nd semester math with a C or better. 	<ul style="list-style-type: none"> • Consideration given to students ranked in the top 10% according to quarterly assessment data. • Successful completion of 2nd semester math with a C or better.
