This SAP Contract will cover the following academic period(s):
Fall 20 _____ Spring 20 _____ Summer 20 _____
Student's contract will extend beyond 1 trimester and be reviewed at the end of each trimester for progression toward regaining eligibility and/or graduation? YES NO
Notes: _____

You have been granted a financial aid appeal based on extenuating circumstances and must submit this contract to the financial aid office after reviewing and collecting the necessary signatures.

Students who receive Student Aid are required to adhere to the SIPI Financial Aid Satisfactory Academic Progress (SAP) Policy. To maintain good financial aid academic standing and avoid loss of financial aid eligibility you must:

1. Maintain a trimester GPA of 2.0 and a cumulative GPA of 2.0.
2. Complete your program of study within 150% of the total credit hours required for your program.
3. Complete 67% of all credits you attempt cumulatively and within the trimester.

If you **continue to NOT meet** the following requirements after submitting this contract you will be suspended from financial aid (VA, PELL, FSEOG, FWS, NMCA, NMWS, NMSIG & NMLEF). The only exception for not meeting SAP at the end of a trimester is if this contract extends beyond 1 trimester, with the student ultimately meeting SAP or graduating as the end result of the contract period.

I have been informed of the SIPI Satisfactory Academic Progress requirements. I understand that if I fail to maintain the minimum standards outlined here, I will lose my eligibility for financial aid. I also understand that I will not receive financial aid for classes that do not directly apply to my program. Any classes that I withdrawal from while on this contract may also cause me to lose eligibility.
