EC §49091.14, EC §49063 & BVUSD Board Policy 6161.1

The curriculum, including titles, descriptions, and instructional aims of every course offered by the district are compiled annually in a prospectus. When requested, the prospectus shall be reproduced and made available.

EXCUSAL FROM HEALTH, FAMILY LIFE, AND SEX EDUCATION INSTRUCTION

EC §51930-51939

BVUSD Board Policy 6142.1 & Administrative Regulation 6142.1

The district is required to give parent/guardians written notification regarding sexual education, HIV/AIDS prevention, and related assessments for students in grades 7-12. A parent/guardian of a pupil has the right to excuse their child from all or part of comprehensive sexual health education, HIV/AIDS prevention education, and assessments related to that education. Written and audiovisual educational materials used for sexual health education and HIV/AIDS prevention education are available for inspection.

Parents/guardians will receive notice prior to instruction, assessments, if district staff will provide instruction or, in the case of an outside speaker, the date of the instruction and name of the organization or affiliation of each guest speaker, how and where to inspect written and audiovisual materials to be used, and how to request a copy of EC §51930 through EC §51939 concerning sexual health and HIV/AIDS prevention education.

Whenever any part of the instruction of health, family life education, or sex education conflicts with the religious training and beliefs or personal moral convictions of the parent/guardian of any student, the student shall be excused from such training upon written request of the parent/guardian.

The District may administer to students in grades 7 through 12 anonymous, voluntary, and confidential research and evaluation instruments, including tests and surveys, containing age-appropriate questions about their attitudes or practices relating to sex. Prior to administering such a research and evaluation instrument, parents/guardians shall be provided written notice of

the administration. Parents/guardians shall be given opportunity to review the research instrument and to request in writing that their child not participate.

SEXUAL ABUSE AND SEX TRAFFICKING PREVENTION / SEXUAL ABUSE AND SEXUAL ASSAULT AWARENESS AND PREVENTION

EC §51900.6 & EC §51950

The middle and/or high school may offer sexual abuse/sexual assault awareness and prevention or sex trafficking prevention instruction to teach strategies to reduce their risk, techniques to set healthy boundaries and how to safety report incidents. Parents or guardians may submit a written request to excuse their child from participation in any class involving sexual abuse, sexual assault awareness and prevention or sex trafficking prevention education.

OBJECTION TO DISSECTING, HARMING, OR DESTROYING ANIMALS

EC §32255, EC §32255.1

BVUSD Board Policy 5145.8 & Administrative Regulation 5145.8

Any pupil with a moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, shall notify his/her teacher regarding this objection. If a student chooses to refrain from participation in an education project involving the harmful or destructive use of animals, and if the teacher believes that an adequate alternative education project is possible, the teacher may work with a student to develop and agree upon an alternate education project for the purpose of providing the student an alternate avenue for obtaining the knowledge, information, or experience required by the course of study in question.

Pupils choosing an alternative education project shall pass all examinations of the respective course of study in order to receive credit for that course of study. However, if tests require the harmful or destructive use of animals, a pupil may, similarly, seek alternative tests pursuant to this chapter. A pupil's objection to participating in an educational project pursuant to this section shall be substantiated by a note from his/her parent/guardian.

Each teacher teaching a course that utilizes live or dead animals or animal parts shall inform their students of their rights pursuant to EC §32255.

STUDENTS WITH DISABILITIES

EC §56301, USC Title 29 §794, CFR Title 34 §104.32 & §504 Rehabilitation Act

Section 504 Accommodations for Students

The Rehabilitation Act of 1973, commonly referred to as "Section 504," is a nondiscrimination statute enacted by the United States Congress. The purpose of the Act is to prohibit discrimination and to assure that disabled students have educational opportunities and benefits equal to those provided to non-disabled students.

An eligible student under Section 504 is a student who a) has a physical or mental impairment which substantially limits a major life activity, b) has a record of such an impairment, or c) is regarded as having such an impairment. The regulations define "major life activities" as functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

It is the purpose of this notice to identify the rights ensured by Section 504. If parents have questions regarding parents' rights under IDEA (Individuals with Disabilities Education Act), they should contact the District office at the Bear Valley Unified School District.

The enabling regulations for Section 504 as identified in 34 CFR Part 104 provide parents and/or students with the following rights:

1. You have the right to be informed by the school district of your rights under Section 504. (The purpose of this notice is to advise you of those rights.) 34 CFR 104.32
2. Your child has the right to a free appropriate public education, if he or she is a qualified handicapped person, regardless of the nature or severity of his or her handicap. 34 CFR 104.33
3. Your child has the right to an appropriate education, which is the provision of regular or special education and related services that are designed to meet the individual educational needs of handicapped persons as adequately as the needs of non-handicapped persons are met, and which are based upon the adherence to procedures that satisfy the requirement of the regulations. 34 CFR 104.33
4. Your child has the right to a free education, which is the provision of educational and related services without cost to the handicapped person or to his or her parents or guardian, except for those fees that are imposed on non-handicapped persons or their parents or guardian. Insurers and similar third parties are not relieved from an otherwise valid obligation to provide or pay for services provided to a disabled student. 34 CFR 104.33

5. Your child has the right to placement in the least restrictive environment. 34 CFR 104.34
6. Your child has the right to facilities, services and activities that are comparable to those provided for non-disabled students. 34 CFR 104.34
7. Your child has a right to an evaluation prior to an initial placement of the person in a regular or special education program and any subsequent significant change in placement. 34 CFR 104.35
8. Testing and other evaluation procedures must meet the following requirements:
 - a. They must be validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;
 - b. Include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and
 - c. Are selected and administered so as best to ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure). 34 CFR 104.35
9. Placement decisions shall (1) draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social or cultural background, and adaptive behavior, (2) establish procedures to ensure that information obtained from all such sources is documented and carefully considered, (3) ensure that the placement decision is made by a group of persons, including persons knowledgeable about the child, the meaning of the evaluation data, and the placement options, and (4) ensure that the placement decision is made in conformity with 104.34, regarding, among other things, placement in the least restrictive environment and the provision of comparable facilities. 34CFR 104.35
10. If eligible under Section 504, your child has the right to periodic reevaluations. 34 CFR 104.35

Section 504 Parent/Student Rights

You have the right to notice prior to any action by the district in regard to the identification, evaluation, or placement of your child. 34 CFR 104.36

You have the right to examine relevant records. 34 CFR 104.36

You have the right to an impartial hearing with respect to the district's actions regarding your child's identification, evaluation or educational placement, with opportunity for parental participation in the hearing and representation by counsel. 34 CFR 104.36

If you wish to challenge the actions of the district's Section 504 Committee in regard to your child's identification, evaluation, or educational placement, you should file a written Notice of Appeal with the, Executive Director of Student Services/Personnel, 42271 Moonridge Road, Big Bear Lake, California, 92315, (909) 866-4631 Ext. 1235 within 30 calendar days from the time you received written notice of the Section 504 Committee's action(s). A hearing will be scheduled before an impartial hearing officer and you will be notified in writing of the date, time and place for the hearing.

If you disagree with the decision of the impartial hearing officer, you have the right to a review of that decision by a court of competent jurisdiction. 34 CFR 104.36

On Section 504 matters other than your child's identification, evaluation, and placement, you have the right to file a complaint with the district's Section 504 Coordinator – Executive Director of Student Services/Personnel, 42271 Moonridge Road, Big Bear Lake, California, 92315, (909) 866-4631 Ext. 1235 who will investigate the allegations to the extent warranted by the nature of the complaint in an effort to reach a prompt and equitable resolution.

It is the policy of our district to provide a free, appropriate public education to each student with disabilities. Parents/guardians who believe their student may have a disability are to contact the principal of the school to initiate a referral to the Student Study Team (SST) for review.

Procedural Safeguards

The parents or guardians shall be notified in writing, by the 504 Site Coordinator, of all actions or decisions made by the 504 Team, including those in which the parent participated, concerning the identification, evaluation, and accommodations made for a student. 504 Site Coordinators will be responsible for the maintenance of a record or file of all communications sent to the parent or guardian.

At each step of the process, parents or guardians should be advised of their right to:

- Be informed of any proposed actions related to eligibility and plan for services.
- Examine all records maintained by the district.
- Receive all information in the parents/guardian's native language and primary mode of communication.
- Have an evaluation that draws on information from a variety of sources.
- Periodic reevaluations and evaluation before any significant change in program or services occurs.
- Right to file a grievance with the district over an alleged violation of Section 504 regulations.

CAL GRANT PROGRAM

EC §69432.9 & BVUSD Administrative Regulation 5125

A Cal Grant is money for college that does not have to be paid back. To qualify, a student must meet the eligibility and financial requirements as well as any minimum grade point average (GPA) requirements. Cal Grants can be used at any University of California, California State University or California Community College. Some independent and career colleges or technical schools in California also take Cal Grants.

In order to assist students in applying for financial aid, all students in grade 12 are automatically considered a Cal Grant applicant and each grade 12 student's GPA will be submitted to the California Student Aid Commission

(CASC) electronically by a school or school district official. A student, or the parent/guardian of a student under 18 years of age, may complete a form to indicate that he/she does not wish for the school to electronically send CASC the student's GPA. If you do not wish to have your child's GPA submitted to CASC, please submit this request in writing to the school principal no later than September 22nd, 2017.

Until a student turns 18 years of age, only the parent/guardian may opt out the student. Once a student turns 18 years of age, only the student may opt himself/herself out, and can opt in if the parent/guardian had previously decided to opt out the student.

CALIFORNIA HIGH SCHOOL PROFICIENCY EXAMINATION

CCR Title 5 §11523
 BVUSD Board Policy 6146.2 & BVUSD Administrative Regulation 6146.2
 The California High School Proficiency Exam (CHSPE) is a voluntary test that assesses proficiency in basic reading, writing, and mathematics skills taught in public schools. Eligible pupils who pass the CHSPE are awarded a Certificate of Proficiency by the State Board of Education. A pupil who receives a Certificate of Proficiency may, with verified approval from the parent or legal guardian, leave high school early. The Certificate of Proficiency, however, is not equivalent to completing all coursework required for regular graduation from high school. For more information, including administration dates and registration deadlines, visit the following website: <http://www.chspe.net/>.

CAREER COUNSELING AND COURSE SELECTION

EC §221.5(d), BVUSD Board Policy 6164.2 & Administrative Regulation 6164.2

Counseling will commence at the beginning of the seventh grade. Parents are encouraged to participate in the counseling sessions and decisions. For more information, parents/guardians should contact their child's school. Students have the right to meet with a school counselor to obtain help on choosing courses at their school that will meet college admission requirements or to enroll in career technical education courses, or both. Students who wish to make an appointment with their counselor/career counselor (based on site availability) may do so through their school's office or counseling department.

CHRONIC ABSENTEEISM

EC §60901, BVUSD Board Policy 5113.1 & Administrative Regulation 5113.1

A student becomes a "chronic absentee" as defined in California *Education Code (EC)* Section 60901(c)(1) when "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

You will receive a written notification alerting you when your student has missed 10% of the school day even if your student has excused absences/illness. Following the written notification, if additional day(s) are missed, a second notification will be mailed requesting that the parent/guardian of the student attend a meeting at the school with the Student Attendance Review Team (SART). The goal of the SART is to help both the parents/guardians and the student find solutions to the barriers that are preventing regular school attendance.

If absenteeism continues, the parent/guardian may be summoned to attend a Student Attendance Review Board (SARB) meeting held at the school district's office.

Nondiscrimination Statement

The Board of Trustees desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic

and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying of any student based on the student's actual or perceived race, color, ancestry, national origin, nationality, ethnicity, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression or association with a person or group with one or more of these actual or perceived characteristics.

5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students.

WILLIAMS LAWSUIT SETTLEMENT COMPLIANCE

EC §35186 & BVUSD Board Policy 1312.4

Every school must provide sufficient textbooks and instructional materials. Every student, including English learners, must have textbooks or instructional materials, or both, to use at home or after school. School facilities must be clean, safe and maintained in good repair. There should be no teacher vacancies or misassignments. If a school is found to have deficiencies in these areas, and the school does not take corrective action, then a Williams Uniform Complaint Form may be obtained at the school site. The individual responsible for processing complaints at the school district level is the Superintendent, who may be contacted at (909) 866-4631. Parents, guardians, pupils, teachers, or any member of the public may submit a complaint regarding these issues. However, it is highly encouraged that individuals express their concerns to the school principal before completing the complaint forms to allow the school to respond to these concerns.

ENROLLMENT

ATTENDANCE OPTIONS

EC §48200, EC §48204, EC §31560.5(b), EC§ 48350, EC§ 46600, BVUSD Administrative Regulation 5111.1 and 5117

Residency Requirements

A minor between the ages of 6 and 18 years is subject to compulsory education and, unless exempted, must enroll in school in the school district in which the residence of either the parent or legal guardian is located.

A pupil may alternatively comply with the residency requirements for school attendance in a school district if he or she is any of the following: placed in a foster home or licensed children's institution within the boundaries of the school district pursuant to a commitment of placement under the Welfare and Institutions Code; a pupil who is a foster child who remains in his or her school or origin; an emancipated pupil who resides within the boundaries of the school district; a pupil who lives in the home of a caregiving adult that is located within the boundaries of the school district; or a pupil residing in a state hospital located within the boundaries of the school district.

A school district shall accept applications by electronic means for enrollment, including enrollment in a specific school or program within the school district, and course registration for military dependents. The parent shall provide proof of residence within 10 days after the published arrival date provided on official documentation related to his or her military move: temporary on-base billeting facility, purchased or leased home or apartment, or federal government or public-private venture off-base military housing.

A school district may also deem a pupil as having complied with the residency requirements for school attendance in the school district if one or both of the parents or legal guardians of the pupil are physically employed within the boundaries of the school district for a minimum of 10 hours during the school week.

Residency is established when a pupil's parent or legal guardian resides outside of the boundaries of that school district but is employed and lives with the pupil at the place of his or her employment within the boundaries of the school district for a minimum of three days during the school week.

Residency Investigations

When the Superintendent or designee reasonably believes that a student's parent/guardian has provided false or unreliable evidence of residency, he/she may make reasonable efforts to determine that the student meets district residency requirements. An investigation may be initiated when the Superintendent or designee is able to identify specific, articulable facts supporting the belief that the parent/guardian has provided false or unreliable evidence of residency.

The Superintendent or designee may assign a trained district employee to conduct the investigation. The investigation may include the examination of records, including public records, and/or interviews of persons who may have knowledge of the student's residency.

If necessary, the Superintendent or designee may employ the services of a private investigator to conduct the investigation. Before hiring a private investigator, the Superintendent or designee shall make other reasonable efforts to determine whether the student resides in the district.

The investigation shall not include the surreptitious collection of photographic or videographic images of persons or places subject to the investigation. However, the use of technology is not prohibited if done in open and public view.

Any employee or contractor engaged in the investigation shall truthfully identify himself/herself as an investigator to individuals contacted or interviewed during the course of the investigation. [EC §48204.2 & BP 5111.1]

Interdistrict Enrollment/Transfer Requests

Parents/guardians of students living outside the boundary of Bear Valley Unified School District may apply for an Interdistrict Transfer. The parent or legal guardian of a pupil may seek release from the home district to attend a school in any other school district. School districts may enter into agreements for the interdistrict transfer of one or more pupils for a period of up to five years. The agreement must specify the terms and conditions for granting or denying transfers, and may contain standards of reapplication and specify the terms and conditions under which a permit may be revoked. Unless otherwise specified in the agreement, a pupil will not have to reapply for an interdistrict transfer, and the school board of the district of enrollment must allow the pupil to continue to attend the school in which he/she is enrolled.

A pupil who has been determined by personnel of either the home or receiving district to have been the victim of an act of bullying, as defined in EC 48900(r), shall, at the request of the parent or legal guardian, be given priority for interdistrict attendance under any existing agreement or, in the absence of an agreement, be given additional consideration for the creation of an interdistrict attendance agreement.

Requests are based on the district's enrollment and staffing needs. Preferences will be given to pupils whose parents are enlisted in the military. Parents/guardians should contact the Director of Educational Service at (909) 866-4631 for further information.

MEDICAL SERVICES AT SCHOOL

EC §32221.5, EC §49472, EC §49471, BVUSD Board Policy 5143

Medical Services Provided

The school district may provide or make available medical or hospital service through nonprofit membership corporations, defraying the cost of medical or hospital service, or through group, blanket or individual policies of accident insurance or through policies of liability insurance for injuries to pupils arising out of accidents related to school activity or attendance. No pupil is required to accept such service without the consent of his/her parent or legal guardian.

Health Insurance Coverage for Athletes

Under state law, school districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. This insurance requirement can be met by the school district offering insurance or other health benefits that cover medical and hospital expenses.

Low- or no-cost insurance for students is available through Medi-cal Healthy Families for those who qualify. Parents/guardians may call the school site for an application or information on this or other programs that may be available to them.

Medical Attention at School for Accidents/Injuries

An emergency card will be used to contact parents/guardians in the event of a medical emergency. The school will act in the absence of parent contact to ensure appropriate medical treatment is provided even if the parent/guardian cannot be reached. The school may make available medical or hospital services for students while at or on the way to or from any school activity. Specific direction regarding emergency care must be noted on emergency cards.

CONCUSSION AND HEAD INJURIES

EC §49475 & BVUSD Administrative Regulation 6145.2

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. A school district that elects to offer athletic programs must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until he or she is evaluated by, and receives written clearance from, a licensed health care provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete's parent or guardian before the athlete's initiating practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

TEMPORARY DISABILITY

EC §48206.3, EC §48207, EC §48208 & BVUSD Administrative Regulation 5111.1

A pupil with a temporary disability which makes attendance in the regular day classes or the alternative educational program in which the pupil is enrolled impossible or inadvisable may receive individualized instruction provided in the pupil's home for one hour a day. Please contact the school nurse or Personnel/Educational Services.

A pupil with a temporary disability, who is in a hospital or other residential health facility, excluding a state hospital, may be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located.

It is the responsibility of the parent or guardian to notify the school district in which the hospital or other residential health facility is located of the presence of a pupil with a temporary disability. Upon receipt of the notification, the district will within five working days determine whether the pupil will be able to receive individualized instruction and, if so, provide the instruction within five working days or less.

Upon request by the parent/guardian, the district shall provide him/her a copy of the records disclosed.

Within five business days following the date of request, a parent/guardian or other authorized person shall be granted access to inspect, review, and obtain copies of student records during regular school hours.

Qualified certificated personnel shall be available to interpret records when requested.

The custodian of records or the Superintendent or designee shall prevent the alteration, damage, or loss of records during inspection.

Access Log

A log shall be maintained for each student's record which lists all persons, agencies, or organizations requesting or receiving information from the records and the legitimate educational interest of the requester.

In every instance of inspection by persons who do not have assigned educational responsibility, the custodian of records shall make an entry in the log indicating the record inspected, the name of the person granted access, the reason access was granted, and the time and circumstances of inspection.

The log may include record of access by:

1. Parents/guardians or adult students.
2. Students who are 16 years of age or older or who have completed the 10th grade.
3. Parties obtaining district-approved directory information.

No charge shall be made for providing up to two transcripts or up to two verifications of various records for any former student. No charge shall be made to locate or retrieve any student record.

Changes to Student Records

Only a parent/guardian having legal custody of a student or an adult student may challenge the content of a record or offer a written response to a record. No additions except routine updating shall be made to a student's record after high school graduation or permanent departure without prior consent of the parent/guardian or adult student.

A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed pursuant to a court order. However, at the written request of a student or, if appropriate, his/her parents/guardians, the district shall use the student's preferred name and pronouns consistent with his/her gender identity on all other district-related documents.

TITLE I PARENT INVOLVEMENT POLICY

The Board of Trustees recognizes that parents/guardians are their children's first and most influential teachers and that continued parental involvement in the education of children contributes greatly to student achievement and a positive school environment.

In order to engage parents/guardians positively in their children's education, the Superintendent or designee shall ensure that staff members at each school:

1. Help parents/guardians develop parenting skills and provide home environments that support their children's academic efforts and their development as responsible members of society
2. Inform parents/guardians that they can directly affect the success of their children's learning and provide them techniques and strategies that they may use to improve their children's academic success and help their children in learning at home.

3. Initiate consistent and effective two-way communication between the home and school so that parents/guardians may know when and how to help their children in support of classroom learning activities
4. Receive training that fosters effective and culturally sensitive communication with the home, including training on how to communicate with non-English speakers and how to give parents/guardians opportunities to assist in the instructional process both at school and at home.
5. Encourage parents/guardians to serve as volunteers in the schools, attend student performances and school meetings, and participate in site councils, advisory councils and other activities in which they may undertake governance, advisory and advocacy roles

School plans shall delineate specific measures that shall be taken to increase parental involvement with their children's education, including measures designed to involve parents/guardians with cultural, language or other barriers which may inhibit such participation.

UNIFORM & GROOMING POLICIES

EC §35183, EC §35183.5, BVUSD Board Policy 5132 & Administrative Regulation 5132

General

The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process. In cooperation with teachers, students and parents/guardians, the principal or designee shall establish school rules governing student dress and grooming which are consistent with law, Board of Trustees policy and administrative regulations. These school dress codes shall be regularly reviewed.

Gang Related Apparel

The principal, staff and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a dress code may be included as part of the school safety plan and must be presented to the Board for approval. The Board shall approve the plan upon determining that it is necessary to protect the health and safety of the school's students.

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (EC 32282)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received.
