

**STUDENT AUTOMOBILE USE/PARKING**

**PURPOSE:**

This policy is established for the purpose of setting forth the North Kingstown School Committee's expectations regarding the driving and parking of student motor vehicles on school property.

**PHILOSOPHY:**

The School Committee recognizes the desire and necessity for many students, of driving age, to travel to and from school in a private motor vehicle. It acknowledges however, that such a consideration creates potential safety, parking and other related problems on the school campus.

**POLICY STATEMENT:**

To ensure maximum safety in traffic control, parking and the occurrence of minimum related motor vehicle problems of school property, the driving and parking of all vehicles on school properties shall be subject to rules and regulations as approved by the School Committee. Said rules are to be in conformance and compliance with any Town ordinances or state laws or otherwise, not in conflict with such ordinances or laws.

It is a privilege for a student to drive and park a private motor vehicle on school grounds and as such, the privilege may be revoked at any time by School Administration for misconduct.
