

## Instructions for Using the Bus Stop Finder Utility

Please read the following before proceeding to the Bus Stop Finder Utility.

Bus service is provided to students who live at least 2 miles or more from their assigned school. School assignment is determined by your residential address, in accordance with the boundary assigned to each school. To determine the student's assigned school, please use the [School Assignment by Residential Address Utility](#).

Steps to follow to use the Bus Stop Finder:

### 1. Enter your address as indicated in this graphic. Note also that a school was selected:

**Zip Code:** It is recommended that the zip code be entered after the address, as in the example above. If the Zip Code is added, please be sure to enter one space only between the end of the Street Name and the Zip Code:

**One space only** between the end of the Street Name and the Zip Code

Please also note that at least one school must be selected for the utility to work. You can select two or three schools, by holding the CTRL key while making the selections.

### 2. Click the Submit button.

Click the **Submit** button after you have entered the address and selected the school

The result of your search will resemble the following graphic:
