

# “GIVING BACK TO BUILD THE FUTURE”

1. *I am of the opinion that my life belongs to the community, and as long as I live it is my privilege to do for it whatever I can.*

~ *George Bernard Shaw*

2. *I want you to be concerned about your next door neighbor. Do you know your next door neighbor?*

~ *Mother Teresa*

3. *We were born to unite with our fellow men, and to join in community with the human race.*

~ *Cicero*

"This scholarship is especially meaningful because it is provided by fellow Mustang alumni. Their spirit of giving is proof that the Mustang tradition of supporting one another lives on.

Once a Mustang, always a Mustang!"

*Luke Domas ~ Scholarship Recipient*

**“I wish that something like this would have been started years ago! All I know is that we can’t go back in time but we can learn from it and make sure we don’t waste anymore. I fully believe in the vision of this organization and I’m personally getting behind it with support. We can’t do it alone, so I ask you as the long time coach, will you join this team to help change lives?”**

*Coach Dan Hooks  
Legendary WOS Athletic Director/  
Head Football Coach*

Alumni Foundation, Inc.

“GIVING BACK TO  
BUILD THE FUTURE”

A little goes a long way when it all comes together.

# ABOUT US

We are a 501 (c)(3) non-profit public corporation that was created to give back to build the future in three areas: **Students, School System, & Community** of West Orange Cove Independent School System.

**Vision:** "Our vision is to see lives enhanced and changed by giving back to collectively move forward."

**Mission:** "Our mission is to create a vehicle to invest back into the roots of all students, the school system, and community so that the path for all will continue to flourish."

**GIVING BACK:**

**STUDENTS**

Our number one objective is to give back to the students! One of the MAIN ways is to assist deserving Seniors in furthering their education.

We believe that if lives are truly going to be changed, then our students need to be empowered and given the tools to help them to be successful.

Every year we will be issuing multiple scholarships as we are able to partner with more individuals, businesses, corporations, foundations, organizations, and the community at large.

**TO BUILD:**

**SCHOOL SYSTEM**

We're going to be doing a number of things to help give back to the school system! Here is a short list of items in which we can support our district!

- Faculty of the Month
- Teacher Grants
- Give Back Brick
- Honor Military Mustangs
- And more...

**THE FUTURE:**

**COMMUNITY**

We all know that "team work makes the dream work." We have always dreamed big, and because of that we have succeeded. We must invest our success into our community so that we can ensure that others will also have the opportunity to dream and succeed.

Our community needs us to not only invest financially, but to make investments of inspiration by volunteering, mentoring, and organizing activities and events that unite and uplift the community as well as educate and motivate our citizens.

A community is only as strong as its citizens, and it is up to us to strengthen the citizens of our community and help them achieve success.
