Weatherford ISD Education Foundation Golf Tournament

This year marks the 17th annual tee-off for the WISD Education Foundation's golf tournament. We believe you will find the sponsorship of this event to be a worthwhile investment of your charitable funds. Not only will sponsorship give your business or organization high visibility to tournament participants, but all tournament proceeds benefit the teachers and students of the Weatherford ISD!

A good cause and a day spent with good friends and business associates.

What could be better?

The Education Foundation
Helping teachers take kids from good to great!

The Weatherford ISD Education Foundation is a 501(c)(3) organization that was founded in the 1980s to provide financial support to the teachers of Weatherford ISD.

Technology has changed the face of education. Today, teachers have innovative ideas and projects that cannot always be funded through school resources. Your donation benefits Weatherford ISD teachers and students by supporting activities not funded by tax dollars.

WISD Education Foundation Programs

The programs funded by the Weatherford ISD Education Foundation support our mission to generate and distribute resources for programs that enhance the educational experience of our children and teachers.

Innovative Teacher Grants

A program that encourages teachers to develop innovative and creative projects that benefit students in grades PreK—12. In 12 years, the WISD teachers have received over \$1 million in grants.

School Supplies

Since 2003, the Foundation has provided school supplies for those students whose parents cannot afford to provide these essential tools for learning. Approximately 1,200 students receive assistance annually.

Scholarships for Teachers

Annually, two teachers who are pursuing further or higher education will have up to \$1000 in tuition costs offset by the WISD Education Foundation.
