

To try out for any sport you must have a tryout card. To get a tryout card you must have 3 forms on file:

- A current physical (dated on/after April 15, 2015) on the MHSAA physical form.
- An emergency release form.
- The handbook statement of understanding form.

Tryout cards can only be obtained in the athletic office. If you have already played a sport this year no additional paperwork is needed; however you still need to pick up a new tryout card for this season.

All students interested in participating in sports must have the following on file to be able to participate:

Once all of these have been turned in, the Athletic Director will create a tryout card for that athlete and get it to the respected coach. If all paperwork is not on file you will not be able to practice.
