CONSENT AND AUTHORIZATION OF DELEGATE

STATEMENT OF ACKNOWLEDGEMENT AND UNDERSTANDING

I, the parent/guardian of \_\_\_\_\_ hereby authorize a designee/s of the School Nurse for the school year \_\_\_\_\_ to administer a pre-filled, single dose auto-injector mechanism containing epinephrine to my child.

It is my understanding that the School Nurse has the primary responsibility for the administration of the epinephrine auto-injector for anaphylaxis, however, when she is not physically present at the scene, the trained delegate has this authority. This is in accordance with New Jersey Department of Education Law (N.J.S.A. 18A: 40-12.5 & 12.6), and Public Law 2007, Chapter 57.

I, as the parent/guardian acknowledge that the school district shall have no liability as a result of any injury arising from the administration of an epinephrine auto-injector, I also agree to indemnify and hold harmless the school district and its employees against any claims arising out of the administration of the epinephrine auto-injector to my child. I further understand it is my responsibility to provide the school with the necessary physician's written medication order.
