Fundraiser – RAFFLE

This is our primary fundraiser with monetary prizes. This year we will sell 1500 tickets at \$50 per ticket throughout the fall for a raffle in December. Each music family is asked to sell 2 tickets. We need assistance with the distribution and return of tickets. We have a very refined systematic approach used by the raffle committee to track this information. This raffle is registered with the state of Michigan and must follow specific rules.

_____ **Raffle Business Sales**
