Please stand for prayers:

In the name of the Father, and of the Son, and of the Holy Spirit. Amen.

Dear God,

Help us become givers. Help us understand that we have the power to create joy and happiness by our simplest acts of caring and compassion. We have the power to unlock the goodness in other people's hearts by sharing the goodness in ours. When we become givers, we will find other givers. No matter where we live or where we travel, we will know them and become one with them, because we will be able to recognize each other. We will become part of the community of humanity that trusts and shares and dares to reveal the softness of its heart. Once we become givers we will never be alone. In Your name, Amen.

In the name of the Father, and of the Son, and of the Holy Spirit. Amen.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation, under God, indivisible with liberty and justice for all. God Bless America.
