

How to Apply for Financial Aid

Applicants' information is processed and standardized by Tuition Aid Data Services (TADS), so that we can make equitable comparisons of need. We encourage you to fill out the TADS forms online, as this speeds the process. Go to www.mytads.com. There is an Application Wizard to help you, and additional help at support@tads.com and toll-free at 1-800-884-8237. If you would like a paper application, call TADS at 1-800-477-8237.

There is a fee (\$34) payable to TADS to apply; if paying by check, make it payable and send directly to TADS. If you are made and accept a financial aid award, the fee will be refunded by MCHD after enrollment.

TADS will require that you submit to them some supporting documentation: copies of your most recent W-2 and/or 1099, most recent paystub, most recent federal tax return, most recent corporate tax return, if applicable, and documentation of all other sources of income, such as social security income (see the website or application for further details). These can be faxed to TADS at (612) 548-3326, or mailed.

MCHD's School ID: DU330210000

School name: MONTE School City: DURHA

If you are applying for a Toddler (18 months – 3 years old) child in the 5-day (morning-only OR all-day) class, please enter grade as grade 7, NOT Preschool. If you are applying for the 3-day Toddler class, you should only check the box for "3-day attendance;" you will not need to enter a grade level.

Enter each child who attends MCHD using our school code, as well as children for whom you pay tuition at another school or college, all on one application (see directions for Section 22). Enter ID# 99999 for children who attend another non-public school.

You can order an optional Parent Report for \$8.00 after completing your application, which merely summarizes the information you gave to TADS. The same information, however, is available for free online.

All award decisions are made by MCHD. You will receive notice about your award from MCHD, not TADS.

In cases where divorced, separated, or never married parents are both contributing to the support of the child, both must fill in an application, or fill it in jointly. If tuition is paid all or in part by someone else (e.g. grandparent), these payments MUST be reported on the application in the section for Contributions in Education.

Deadlines to submit complete TADS application:

January 8: Current families

January 19: Prospective families wishing to be considered in the first round of admissions

Later financial aid applications can be accepted with later admissions applications.
