District Welcomes a New Superintendent

Meet Mr. Timothy Ames, Superintendent

Mr. Timothy D. Ames comes to Medical Lake from Wellpinit School District. Mr. Ames served as Superintendent in Wellpinit, home to approximately 570 students for the past 9 years.

The former graduate of Ferris High School was inspired to enter into education after working for Parks and Recreation in the City and Counties of Spokane. Mr. Ames graduated from WSU with a bachelor's in elementary education followed with a master's from EWU in curriculum and instruction and principal credentials. He later returned to WSU for his superintendent credentials.

Mr. Ames taught in Mead School District for 14 years before becoming principal for West Valley elementary and middle schools for 7 years.

Tim is looking forward to his new role as Superintendent at Medical Lake and getting to know the students, staff, parents and community members that make up our great District.

He is looking forward to attending school functions and showing his Cardinal Pride.

We welcome Mr. Timothy D. Ames and are excited for what is to come.

WELCOME MR. AMES!!

PACE CHARACTERISTIC FOR JULY~ GENEROSITY

A FORCE TO BE RECKONED WITH!!

Coach Gene Blankenship has been a tremendous force behind Medical Lake's Track and Cross Country Teams. The first came in November when the cross country team took their first ever track title in Pasco.

The second, in late May at Eastern Washington University when Medical Lake took the State 1A track team championship.

Congratulations to Medical Lake's Track and Cross Country Teams!!!

OSPI State Superintendent recognizes.....

Two students from Medical Lake High School who successfully passed the four required "Microsoft Office Specialist" exams and received their Microsoft Office (MSO) Masters Certification. This is a service offered to students that allows them to do a self guided class to become proficient and knowledgeable in Word Expert, Excel Expert, PowerPoint to name a few.

Office of the Superintendent of Public Instruction gives high marks to our Transportation Department two years running. Every year, Washington State Patrol inspects every bus, bumper to bumper, inside and out, even doing ride alongs and brake inspections. Our District passed with exceptionally outstanding results.

Thank You Transportation Team!!
