

+ SGT #5 Outreach

Maximize full array of high-quality resources and expertise to provide efficient and effective service delivery for robust positive impact for deaf and hard of hearing students, families, communities and professionals throughout the state.

Objectives In Progress:

Will continue to work on possible collaborations between NDC & ERCOD. Will present at CEASD on viability of collaborations with ACE-DHH.

Because national rollout of new SKI HI DHH Mentor curriculum is behind schedule, using the time to build framework for the program.

Pilot for TSD families accessing ERCOD Family Programs to begin soon.

Completed:

- Presented at ACE-DHH on Collaborations between schools & higher ed. Working with DAC in Dallas to provide Mental Health Trainings.
- After researching programs nationwide, decided to use SKI HI DHH Mentor curriculum. Attended EHDI and networked with other DHH Mentor Programs. Identified \$27K in funds for initial efforts.
- Analysis of collapsing all family registrations into one point of entry
- A referral, documentation and approval process developed to give select TSD families access to ERCOD family programs.
