We encourage families to make sure that all family members, children and adults, have completed all required vaccines.

If you do not have health insurance or a regular doctor, no-cost and low-cost vaccinations can be provided to you by public health centers.

1. The clinics on this list provide no-cost or low-cost immunizations to children 18 years of age and younger.
2. Children 12 years of age and older may consent to receive HPV and hepatitis B vaccines. For all other vaccines, parental consent is required.
3. Please call to confirm which immunizations are provided and to check the clinic's hours.
4. Bring your child's immunization record (yellow card) if you have one.
5. If you have health insurance or a regular health care provider, please contact them for immunization services.
6. For referrals to no-cost and low-cost immunization providers by telephone, dial 2-1-1.
