**In Palos Verdes!
July 9 – 20, 2018**

Lunada Bay Elementary

520 Paseo Lunado, Palos Verdes Estates

Campers in grades 6-8 will do a
“deep dive” into a topic they love,
and improve their persuasive and
explanatory writing skills.

Each camper will spend two weeks
exploring a topic of his or her choice,
and creating original content related
to that exploration. Whether it’s
baseball, cooking, video games, or
another obsession, this “passion
area” is the framework for lessons
around writing and research (blog
posts), technology (video editing),
basic journalism (interviews and
podcasts), and safe and responsible
internet use (digital citizenship).

The middle school program is
co-located with the elementary
program to provide campers with a
unique, age-appropriate experience,
and parents with a single drop-off
point.

AIW Camp is not related to, sponsored by, or endorsed by the Palos Verdes
Peninsula Unified School District
