

STUDENT SURVEY OPT OUT FORM

Dear Parent of Guardian,

Your child has been invited to participate in the WE Learn Survey. The student survey for grades 3-5 and 6-12 will help school leaders assess how students perceive the quality of instruction and the environment of the school. The survey is anonymous and will be administered online during the school day.

Sample Survey Questions:

Grades 3-5: Please pick one answer for each statement: Yes, Sometimes, No, I don't know

- My teachers care about me
- In class, we read stories about real places and people
- I like to learn

Grades 6-12: Please indicate whether you strongly agree, agree, are undecided, disagree, or strongly disagree

- In class we discuss and solve problems that have more than one answer
- I can apply what I learn in my classes to my everyday life
- I know my school's mission/vision

The survey has been approved by your child's school district and school principal.

Please complete the following if you do **NOT** want your child to participate in the WE Learn Survey. If you choose to participate, simply keep this form for your records.

Please return this form to your principal's office before Friday, September 23.
